Display Description

The April TAPS Display is all about Adobe. Books pulled for the display contain instruction on Adobe programs such as Audition, Dreamweaver, Flash, InDesign, Photoshop, and Premier. The display will be up throughout the month, and everything on display is available for checkout.

Prefer in-person help, instead? Go by Cooper's Digital Studio! The Studio, located in room 412 (right next to the elevators on the 4th floor), has a variety of equipment and resources to assist students, staff, and faculty with anything and everything related to the Adobe Creative Cloud. Find out more about the Digital Studio by visiting the Studio's [LibGuide](#).
