Activities

- Committee met at the 2010 NASIG Annual Conference

- Results were published in September 2010 issue of the *Newsletter*

- Lisa Kurt conducted an interview with Selden Lamoureux, winner of the inaugural Merriman Award and NASIG delegate to the 2010 UKSG meeting. The interview was published in the September 2010 issue of the *Newsletter*.
- Chris Brady engaged in several email and phone conversations with veterans of the Mexican Student Grant Award, including former coordinators, A&R chairs, and award winners.
 - Drafted and submitted report to the Board regarding recent events and developments in the administration of this award and recommended actions.
- Leigh Ann DePope and Betty Landesman are updated as the library contacts for award outreach.
- The committee sent out the first round of award announcements the first week of November. The announcements are also being distributed through NASIG channels ("What's New" section of website, blast announcement, publicist, etc.)
- For the first time, the Student Outreach Committee is partnering with A&R to help publicize the awards. Various ideas have been discussed as to how library school ambassadors can assist A&R in this area.

Any Changes or Exceptions to Budget

- The estimated 2011 budget that was submitted to the NASIG Board includes:
 - Number of awards that were approved by the Board for 2011.
 - The Champion Award was a special award for 2010 and is not offered in 2011.
 - The Mexican Award was not given in 2010, but we are planning to offer it in 2011.
 - Contingency funds: Last year's Merriman award winner was marooned in the UK due to volcano-related flight disruptions. NASIG covered her

extra expenses for that week, but we had not budgeted for them in 2010.
