Continuing Activities

The committee continues to recruit new ambassadors through announcements in the *NASIG Newsletter* and through personal contact at the NASIG annual meeting. Committee members are to contact ambassadors a minimum of twice a year to remind them that they will be asked to make sure that their schools know about the awards program. Contact should be made in September and April. The April contact will verify continuation in the program and confirm if the ambassador will be attending the NASIG conference. Ambassadors will continue to update the appropriate pages at the NASIG web site with information about the schools to which they are assigned.

The committee hopes to have an intern, as recommended by Bob Boissy at the committee's meeting at the 2010 Annual Conference. The committee will continue to update its space at the NASIG website as needed.

Completed Activities

Ambassadors are now assigned to the following universities:

Ambassador	School
Sanjeet Mann	UCLA
Susan Chinoransky	University of Maryland
Kate Seago	University of Kentucky
Emma Cryer	Univ. of North Carolina-Chapel Hill
Joseph Hinger	St. John's University, Queens College
Alita Pierson	Univ. of Washington
Sarah Sutton	Texas Woman's University
Carol Ann Borchert	University of South Florida, Florida State
Brenda Battleson	SUNY-Buffalo
Angela Dresselhaus	Indiana University
Linda Smith Griffin	Louisiana State University

Marcella Leshar has been established as the liaison to the Awards & Recognition Committee. She will work closely with them and our ambassadors to spread the word about A&R through the ambassadors' contacts at the various schools.

The name of the committee was changed at the annual conference. The Library School Outreach Committee is now the Student Outreach Committee, as the new name better reflects the goals of reaching out to different kinds of students, not just those enrolled in library school.

Statistical Information

The committee has fifteen confirmed ambassadors for seventeen schools, including committee members.
