Continuing Activities

Coordinate & organize at least two webinars prior to NASIG 2012. Once the board approves the subscription of webinar software we will license the software and schedule our first webinar. The presenters of the **“Gateway to Good Negotiation: From Computer Mediated Communication to Playing Hardball”** session from NASIG 2011 have agreed to present a webinar for CEC. The PPC has sent us the proposals that were declined for NASIG 2012, so the committee is currently reviewing those to see if there are any potential topics for webinars.

Work with PPC to create proposal process web site or podcast. The PPC does not believe the NASIG proposal

process is that unique. CEC sent the PPC some resources created by Educause on the conference proposal process. CEC is awaiting a response from the PPC.
