Members of NASIG continue to be recognized by their and other institutions with new and interesting positions and promotions:

Clint Chamberlain is now the development & client services director at Reading & Radio Resource, a non-profit that creates audio materials for children and adults with special reading and learning needs.

Sharon A. Purtee was promoted to senior librarian, effective in mid-August.

Steven Kelley has been promoted from head of Resource Maintenance and serials cataloging librarian to head of Continuing Resources and Database Management at Wake Forest.

And, **Adolfo Tarango** is now the assistant director, Metadata Services. The new job title comes with oversight of two additional UC San Diego Library cataloging units: Books and Maps Cataloging and Metadata and Chinese, Japanese, and Korean Cataloging and Metadata. "I will continue to have oversight of the two units, Shared Cataloging Program

and CDL Acquisitions, which handled the cataloging and acquisitions of UC system-wide electronic resources. Of course I'll keep my hands in the serials world by having oversight of the entire library's serials cataloging activities and remaining the library's CONSER representative."
