Mr. Simmons opened the meeting by discussing the purpose and objective of the committee as established by President Atchley. Mr. Simmons then turned the meeting over to Mr. Herrin, then he and Mrs. McClain excused themselves. Mr. Herrin and Mr. Gable were a part of the original committee to set up the permanent Staff Commission. Mr. Herrin gave further background information and chaired the meeting until a chairperson was appointed. Mrs. Jane Kidd was elected chairperson, and Mr. Gary Pringle was elected vice-chairperson.

Mrs. Kidd was to discuss the role and purpose of the commission with President Atchley. Additionally, Mrs. Kidd was to discuss the commission with Jack McKenzie who would include an article in the Newsletter on the commission.

Mr. Pringle was going to check on getting a post office box for the commission's mail.

Mr. Gable indicated that in their research they found that some other institutions allowed their meetings to turn into gripe sessions. He cautioned the committee not to allow this to happen at Clemson. It was agreed by everyone that the committee should have a positive influence.

It was agreed that the committee would meet once a week for the first month, then probably once per month. The next meeting is to be held in the Conference Room of Jordan Hall on Tuesday, May 15, 1984, at 10:30 a.m.

Respectively submitted,
