TIPS

Football Information For
CLEMSON COLLEGE
Clemson, S. C.

52nd Season
FOREWORD

Gentlemen of the Press and Radio:

Here it is, our second annual edition of TIPS ON THE TIGERS. We hope this brochure on Clemson football, simply a "dope" booklet on the Tigers, will help you get better acquainted with us for our 1948 football season.

This informational data includes the squad roster, notes on personnel, various records, and background material for stories, reference, and feature use.

We do not expect this brochure to answer all of your questions, therefore if there is need of supplementary information, if pictures, mats, or special stories are desired, only call on us. If there are suggestions as to how our service to you may be improved, we will greatly appreciate hearing from you.

Clemson will play four home games this year—Presbyterian College, North Carolina State College, Furman University, and Duquesne University. We sincerely invite you to take these four occasions to visit Clemson and to view our Tigers in action. We will play our two opening games under the newly constructed electric lights in our Memorial Stadium and I am sure you will find the atmosphere in our exceptional press box one of pleasure. We will look forward to the time when we can extend to you some of our genuine "country gentlemen" hospitality.

Sincerely,

Ed Osborne, Director

We Salute...

FRANK GILLESPIE, voted the Southern Conference’s most outstanding athlete for 1947-48, football star, baseball perfectionist, basketball champion, and a whiz at his school books, this stellar athlete is well on the road toward making history in the books of All-Time Greats from the South.

Hailing from Beckley, W. Va., where he started his Athletic career at the Mark Twain High School, Gillespie came South to Clemson to enter into a series of sports that has labeled him as an athlete to be long remembered.

After one year at Clemson, the war interrupted his career and he saw 16 months of overseas duty with the Signal Corps, which brought him three battle stars. While in service, he was the star guard on the 90th Division football team. Frank returned to Clemson his sophomore year in time for the 1946 grid campaign, and earned All-State honors and was mentioned on several All-Southern selections. Last season saw Gillespie once again excell as Clemson’s finest guard.

In baseball, he has been named for two consecutive years to All-Southern honors. He is now playing his final season for his Alma Mater.

BOBBY GAGE, a youthful lad from Anderson, S. C., is now in his fourth year with the Tigers. He entered Clemson in 1945 as a 17-year old ROTC cadet. As a “rat”, he poured on a running and passing spree on the grid-iron that convinced Clemson coaches that here was a lad to study, to train, to teach, to help, so that he, in future years, could be the propelling force to carry Clemson to victory. Last year saw a considerable degree of results of the work put on Bobby Gage. He finished the season as one of the nation’s highest offensive gainers. The greatest one-day passing and rushing output in the nation was registered by this great athlete, who totaled 374 yards in his team’s final game of the season against Auburn. He carried the ball 18 times for 141 yards and passed for 233 more yards in his 43 plays.

One of the gamest of the athletes ever to come out of Clemson, few persons today that thrill to the gridiron exploits and the inspiring leadership of this slender backfield figure, who alternately runs with the ball, shoots passes with precision, and puts the opposing team on its heels, by his superb kicking, realize that Bobby Gage hovered near death in an Anderson hospital with a football acquired internal nasal injury in 1946.

A Brief Prospectus

Clemson should be some stronger than it was last year, but so will many of the opposing elevens. The line will average perhaps 10 pounds heavier. That feature was one of the weak points last season. It will now average approximately 205. We feel as though we are strong at tailback, and fairly weak at wingback.

We lost few players through graduation. The ’47 Captain, Cary Cox, and Co-Captain, John Moorer, center and blocking back regulars, respectively, both vacated their spots. They have been ably filled by Gene Moore and ’48 Co-captain Bob Martin. Tailback Hal Leonard and guard Bill Hunter were two others often mentioned Tigers who no longer will wear the pigskin uniform at Clemson. Relief man Jim Sultis has entered the business field, now working in Yankee land.

Our two best fullbacks were not with us last year and this is perhaps where some of the “better” comes in. Dick Hendley was ineligible and Fred Cone was an inexperienced freshman with no high school football background. Cone was the star of the final spring practice drill and should prove to be of immense value.

Another strong position is that of blocking back. Bob Martin, co-captain, will get excellent relief from Frank Carothers, who was ineligible last year, Cecil Perrette, who played fullback, and Wyndie Wyndham, who is potentially one of our best players. The center position is not too good if Gene Moore or Jack Brunson decide not to play or for some reason cannot play.

We will continue to use the single wing, with Howard modifications.

Our most outstanding players and ones which will come in for national and sectional publicity because of their outstanding ability include tailback Robert Gage, tailback Carol Cox, tailback Ray Mathews, fullback Dick Hendley, fullback Fred Cone, end Robert Hudson, end Henry Walker, guard Frank Gillespie, and center Gene Moore. Players who were only freshmen last year, but who probably will be outstanding players this year include tailback Ray Mathews, blocking back Frank Carothers, blocking back Cecil Perrette, blocking back Wyndie Wyndham, end Doug Herlong, and center Jack Brunson.
More About Our Opponents

PRESBYTERIAN COLLEGE, Clinton, S. C.—A member of the SIAA Conference, P. C. took the championship in 1931 and 1941 and has been runner-up for the state title seven times. In 1946 out of eight state teams, P. C. had the best season of the lot, winning seven games while losing only to us and The Citadel. This season and since 1941, the head coach will be Lonnie McMillan, an exponent of the "T" formation. The dean of Palmetto coaches, Walter Johnson, is Athletic Director. We should see plenty of action from the Blue Hose when the Tigers meet them for the first game ever to be played under lights at Clemson. This is the seventeenth consecutive time that the Tigers have opened with P. C.

DUQUESNE UNIVERSITY, Pittsburgh, Pa.—Duquesne began playing college football in 1900 and the season of 1902 saw her first full schedule. The Dukes were one of the many schools which interrupted athletics during the war years of 1943 through 1946. One of her most outstanding seasons was the final team before the discontinuation in 1941 when Duquesne won eight games and lost none. Last season this Catholic University fared rather poorly, winning only two tilts out of ten. Coach Cass Kovalcheck will be the man behind the reins for his second consecutive year. They dropped an interesting gamed with Clemson in 1947, 13-34. Their journey South this fall to Clemson will serve as the Tigers' homecoming.

THE CITADEL, Charleston, S. C.—Clemson will tackle the Bulldogs of The Citadel for their 26th time, the first meeting since 1936. In meeting the Cadets (Citadel is an all-ROTC institution, sometimes known as the West Point of the South), Frank Howard will meet the strategy of Tennessee graduate J. Quinn Decker, class of '32. The final scheduled tilt on its ten game slate for Clemson, the Tigers will help dedicate Charleston's new stadium due for completion in early fall. It is due to seat more than 20,000.

UNIVERSITY OF SOUTH CAROLINA, Columbia, S. C.—In a pre-season prediction, Carolina Chief Mentor, Rex Enright, sees Clemson as his team's toughest foe. Also included on their schedule are tilts with Maryland, Wake Forest, West Virginia and Tulane. They will be strengthened over the '47 aggregation in the backfield and at certain spots in the line, so says Enright.

Thirty-one lettermen will form the backbone of the Gamecock eleven with such outstanding backs as Sophomore Bishop Strickland, Co-captain Jack Crouch, and 1947 Jacobs Blocking Trophy Winner, end Red Harrison on hand. Assisting Rex Enright this year are Hank Bartos, Frank Johnson, Ted Petoskey, Al Grygo, and Earl Dunham. This annual State Fair classic, of which South Carolina has been winner for the past two years, is always considered the game of the year in this Palmetto State.

WAKE FOREST COLLEGE, Wake Forest, N. C.—Wake Forest's 1948 football team stacks up stronger
on offense but weaker on defense that its predecessor, the 1947 club, so says their publicity office.

After guiding the Demon Deacons for 11 years under the single wing offense, Coach Douglas C. (Peahead) Walker is discarding this system in favor of the highly colorful T-formation. The switch was necessitated due to losses of key men in the single wing set-up.

Twenty-two returning lettermen, at least two or more for every position except center, provide the nucleus for the 1948 team which the Tigers meet on Nov. 13 in Winston-Salem.

Wake Forest, a 2,000 enrollment Baptist Denominational institution, is located a few miles from Raleigh.

MISSISSIPPI STATE, State College, Miss.—Located in the rolling hills of Northeast Mississippi's prairie region, just a few hours drive from the most distant point in the state, is Mississippi State College, largest institution of higher learning in the Magnolia State. Clemson meets this colorful team for the first time on Oct. 9.

The college is located approximately two miles from Starkville, a thriving town of 8,000 population. The 1947 enrollment at Mississippi State exceeded 3,500 and the 1948 enrollment will be nearly 4,000.

The 1948 edition of the Mississippi State Maroons will be built around 25 returning lettermen from the 1947 team that won seven out of ten games and will feature a backfield sparked by Shorty McWilliams and Harper Davis, two of the South's best backs.

Maroon mentor, Allyn McKeen, declares his 1948 team has shown more spirit than any team he has ever coached at State and if the sophomores on the squad come through the team will be hard to beat. McKeen's record since coming to State in 1939 is 61 wins, 2 ties, and 15 defeats.

ALABAMA POLYTECHNIC INSTITUTE, Auburn, Ala.—The Auburn Tigers have a brand new coaching staff headed by Earl M. Brown, the Notre Dame All-American of 1938. Publicity releases indicate that Brown's material may not quite measure up to what Carl Voyles had last year. Ends Johnny Liptak and Ray Williams have signed pro-baseball contracts. Tackle Harold Lanmon, the '47 captain, is graduating and fullbacks Leon Cochran and Willis Anderson and Guard Jack Cahoon decided to give up football after the '47 season. Travis Tidwell is still around, but cannot be counted in on plans as he hasn't fully recovered from a leg break last year. Brown's system involves deep single wing running from an unbalanced line, with an occasional usage of the "T". Alabama will open Auburn's ten game schedule.

FURMAN UNIVERSITY, Greenville, S. C.—The Purple Hurricane will field their second post war team, this one under a new chief mentor, Herman E. (Red) Smith, a Furman graduate of 1926. A staff of George Cafego, William Young, J. Lyles Alley and James R. McQueen round out a group of men who hope to
put FU back in the big time. The grid system to be used will be different—a modified single-wing attack replaces the “T”. The Hurricane won two out of nine meetings last season and despite the record made against such stiff opposition, they will step out front with tilts, with among others, Washington and Lee, South Carolina, Georgia, and Florida.

N. C. STATE COLLEGE, Raleigh, N. C.—Clemson will tackle N. C. State College as its second night football game of the season here on Oct. 2. Twenty returning lettermen will form the backbone of the 1948 Wolfpack, with a lot of help expected from rising sophomores, who saw some action as freshmen last year.

The Clemson game follows for Coach Beattie Feathers' eleven a meeting with Duke University. Eight rather tough opponents round out the N. C. State schedule. Using the single wing formation, the Wolfpack will operate with three well-known footballers; Bill Thomson, tailback; Bob Smith, fullback; and Jim Byler, tackle.

N. C. State was the only team which held the Tigers scoreless last year, the results 18 to 0.

BOSTON COLLEGE, Chestnut Hill, Mass.—Boston College should field a team that will easily better the none too impressive record of five wins and four losses in 1947. The Eagles will again employ the T-formation that has been Head Coach Denny Myers' offensive weapon since he took over the reins at Boston College in 1941. The addition of Herb Kopf, former Manhattan College and Boston Yanks head coach, to the staff of the Eagles should be of considerable aid to Myers. A Catholic institution, located just outside the City of Boston, is one of the favorite opponents of the Tigers. Clemson first encountered B. C. in the Cotton Bowl in 1940. To date, four games have been played, Clemson winning two and dropping two. B. C. has tallied up 62 points against Clemson's 61. Once again the meeting will be played in the Land of Beans.

CLEMSON ESTABLISHED

On November 27, 1889, the Senate and House of Representatives of the State of South Carolina drew up an Act of Acceptance of the will of Thomas Green Clemson authorizing the establishment of Clemson as the Agricultural and Mechanical College of this state.

LOCATION AND SIZE

Located in the northwestern corner of South Carolina, thirty miles from the foothills of the beautiful Blue Ridge Mountains, Clemson has grown from an institution with 446 students when it opened its doors in 1893 to the present day peak of 3200. The campus proper embraces 1646 acres. This is exclusive of hundreds of acres scattered over the state as a part the experiment stations.

WAR RECORD

Clemson has been a military (ROTC) all male institution since its beginning. More than 6,000 former Clemson students served in the armed forces during World War II, and 365 are known to have paid the supreme sacrifice.

GRADUATES

During the past fifty-five years, more than 26,000 students have studied at this Land Grant college, and its graduates number more than 7,500.

EDUCATIONAL DIVISIONS

The College's main divisions include the Schools of Agriculture, Engineering, Chemistry, Arts and Sciences, Vocational Education, and Textiles. Graduate work can be obtained in most of the Schools. The Department of Military Science and Tactics offers Reserve Officer training in Infantry, Ordnance, Air Force, Signal Corps, Armored Calvary, Engineering and Quartermaster.

THE PRESIDENT

Dr. Robert Franklin Poole became president of Clemson in 1940, succeeding the late Dr. Enoch Sikes. Born in Laurens County, S. C., December 2, 1893, Dr. Poole graduated from Clemson in 1918, a PH. D. degree from Rutgers in 1921. He spent 17 months in France and Germany with the Aerial Photography Service during World War I. He was assistant plant pathologist at the New Jersey Agricultural Experiment Station from 1920 through 1926. Dr. Poole went to North Carolina State College in 1926 and remained there until he accepted the Clemson presidency in 1940.
The 1948 football season marks Coach Frank Howard's ninth year as head coach of the Clemson Tigers. He came to Clemson in 1931 as the Tiger's line coach under Jess Neely, and it was in 1940, when Neely pulled stakes to settle at Rice Institute in Texas, that Howard took the reins as chief mentor.

Born in Alabama

Born at Barlow Bend, Ala., on March 25, 1909, Howard spent his early days on a farm—and playing cow pasture baseball at every opportunity. The folks around Barlow Bend took very little interest in football those days, and even if they had gotten the fever, there would not have been enough youngsters around the general store to get up a game.

College Career

The fall of 1927 found him bound for Tuscaloosa with most of his worldly goods in a hand grip and a gleam in his eyes that meant stiff opposition for whoever had a monopoly on Alabama's guard position. Coach Wallace Wade (then at Alabama, now at Duke) sent Howard into his first game against Mississippi State as a sophomore. He played as a reserve that year, and stepped into a varsity berth as a junior, starting all games but two this second year, and kept from those because of an injured ankle.

"The Little Giant"

With the arrival of the 1930 campaign, great things were forecast for Alabama football. The gigantic sizes of the linemen prompted newspapermen to forget the nickname, "The Crimson Tide" in favor of a new inspiration, "The Red Elephants." At 185 pounds, Howard went quietly to the task of retaining his regular position among those mammoth linemen. He was the one hitch in the nickname, "Red Elephants", until an enterprising writer came up with the "Little Giant", manufactured exclusively for Howard. Throughout the year, Howard was the "Little Giant" of the "Herd of Red Elephants". The team swept through an undefeated season and capped it off by defeating Washington State, 24-0 in the January 1, 1931, Rose Bowl game.

On To Clemson

Jess Neely, an assistant to Wallace Wade at Alabama during the season of 1928-29-30 watched Howard throughout his college career. When Neely accepted the head coach position at Clemson he immediately selected the former "Little Giant" as his line coach.

Understudy

Howard worked under a head coach whose team won only one game his first year. Nine years later, Neely produced a team which lost only one game. During those gruelling and hard-working years for Howard, he had ups and downs, which many coaches were not burdened with. Success came Neely's way and in 1939 his team defeated Boston College in the Cotton Bowl and paved the way for a job with Rice Institute.

"The Head"

Howard's eight year record as head coach at Clem-
son has netted him 36 games won, 34 games lost and tied 3. The teams have scored 1349 points and have given up to their opponents 1039. Frank Howard's job at Clemson is a big one. In addition to being head coach with the trials and tribulations that accompany a position of that nature, he is the driving force behind the Athletic Association as Athletic Director.

BOB JONES—End Coach—A standout Clemson football and basketball star of the years 1928-30 and generally considered one of the finest ends in Clemson history, Bob Jones joined the coaching staff here upon graduation in 1930. Entering the Army in 1941, Jones spent 12 months in the ETO, won the Silver Star, Bronze Star, Purple Heart and Combat Infantryman's badge. He held the rank of Lieutenant Colonel when discharged in 1946. Jones is also head coach of the boxing and golf team. He now commands the 323rd. Inf. Regt. as full Colonel with Hdq. at Clemson.

COVINGTON McMILLAN—Backfield Coach—A Clemson gridiron star of the 1928-30 era, "Goat" McMillan spent four years coaching at Griffin, Ga. high school and three years at Furman University before joining the Clemson staff in 1937. Entering the Army in 1942, McMillan spent six months in the South Pacific, with Occupational duty in Korea and Japan. He held the rank of Captain when discharged in 1946. He is the Tiger's believer in statistics.

RUSS COHEN—Backfield Coach—Clemson's newest addition to its coaching staff is Russ Cohen, former top athletic man at Louisiana State University and an assistant to Wallace Wade, when the present Duke mentor was at Alabama. Cohen came to Clemson a year ago from Virginia Military Institute where for ten years, he had been backfield coach and chief scout.

WALTER COX—Line Coach—A regular guard on Clemson's 1939 Cotton Bown team, Walter Cox stepped out of a first string position with the Tigers into a job on the coaching staff. Called into the Army in 1942, Cox spent 12 months in the Figi Island, New Caledonia, and Guadalcanal, and held the rank of First Lieutenant when medically discharged in 1943. He serves as baseball coach in the spring.

BANKS McFADDEN—Assistant Coach—His play on the 1939 Tiger team placed "Bonnie Banks" on the Associated Press All-American football team and on Chuck Taylor's All American basketball team. Upon graduation in 1940, McFadden played professional football for the Brooklyn Dodgers and lead in ground gaining. He entered the Army in 1942, spent 33 months overseas and was a major at the time of his discharge. In the winter, McFadden is Clemson's basketball coach.

A. W. NORMAN—Assistant Coach—Considered one of the greatest and most versatile athletes in the history of Roanoke College, "Rock" Norman came to Clemson in 1940 as freshman football, varsity basketball and track coach. Norman will assist with Clemson's football freshman squad this fall and will direct the track cindermen next spring. During the summer, he is in charge of teen-age youngsters, at a Boy's Camp in North Carolina.
