Display Description

Looking for something to read, listen to, or watch over the summer? Cooper Library can help!

The staff and faculty of the Cooper Libraries have chosen some of our favorite books, audiobooks, CDs, and DVDs to share. And because our tastes are eclectic, the items on display have been chosen from various collections housed in Cooper Library, the Gunnin Architecture Library, and the Tillman Media Center.

The display is located on the Cooper Library New Books Shelf and will be up throughout the month of May. So come check out what we like; maybe you'll like it, too.
