Cooper Library Public Information Coordinator**

**Sign created by Cassie Thomas,
Cooper Library Weekend Supervisor**

Display Description

It's hot outside; stay in and read, instead!

A display of fictional works either set in South Carolina or written by a South Carolinian author is currently located atop the TAPS shelving on the west side of Cooper Library's 4th floor. The display will be up throughout the month of July and all items on display are available for check-out at the Circulation Desk.
