## OCTOBER IS NATIONAL LGBT HISTORY MONTH

LGBT History month is an annual observance of lesbian, gay, bisexual, and transgender history, as well as the history of gay rights and related civil movements. It also coincides with National Coming Out Day, which is October 11<sup>th</sup>.

The Lesbian, Gay, Bisexual, & Transgender (LGBT) community is the only community worldwide that is not taught its history at home, in public schools or in religious institutions. LGBT History Month provides role models, builds community and makes the civil rights statement of our extraordinary national and international contributions.
