Display Description

December is here which means 2014 is almost over!

Interested in seeing what books made the critics' "best of" lists this year?

We've curated a collection of some of this year's most buzzed about books. Included are books recommended by the editors of Library Journal, Amazon, the NY Times Book Review and more. We've also included award winners and nominees such as this year's winner of the National Book Award for Fiction: *Redeployment* by Phil Klay.

These books will be located on the TAPS shelf on the 4th floor of Cooper Library throughout the month of December.
