Cooper Library Public Information Coordinator

EARTH DAY

The recognition of Earth Day - celebrated on April 22nd and acknowledged by many as the birth of the modern environmental movement - helps to broaden, diversify, and activate the environmental movement worldwide through a combination of education, public policy, and consumer campaigns.

**"We do not inherit the earth from our ancestors;
we borrow it from our children."**

-Native American Proverb

Are you looking for a way to celebrate Earth Day? You may find an idea in a book or in a DVD from our Earth Day display, which is located on the New Books Shelf. Items on display include:

- [The Carbon Diaries](#)
- [2015, On Extinction:](#)
- [How we became](#)
- [Estranged from Nature](#)
- [The National Parks: America's Best Idea](#)
- [No Impact Man](#)
- [and The World without Us](#)

Check out the Earth Day website to learn more.
