Display Description

Karen Joy Fowler's latest work, [*We are all Completely beside Ourselves*](#), is this year's Freshman Summer Reading selection.

Using this work as a foundation, a display of further research and leisure reading material has been set up in Cooper Library. Some of the subjects included in the display are:

- works specifically mentioned in the story ([*The Ape in our House*](#) and [*Lucy*](#), for example)
- works on the ethics of animal experimentation (such as [*The Animal Research War*](#))
- works centered on linguistics and communication ([*The First Idea*](#))
- graphic novels (like [*Primates*](#) and [*Tarzan*](#))
- and of course, more fiction ([*The One and Only Ivan*](#) and [*The Darling*](#) for instance)

The display will be up throughout the month of August and everything on display is available for checkout.
