NEW BUSINESS
Ron Herrin informed the group of changes to the insurance benefits which will be effective January 1, 1989. New benefits will include a prescription drug card, case management, and mammography testing.
Mr. Herrin mentioned that efforts are under way to include long-term health care, child care, and excess medical expense under Section 125 (before tax dollar payment of health and dental premiums)
A premium increase is likely January 1. This will not be due to the addition of benefits; but will be based on the previous year's claim experience.
