The motion was seconded. The motion passed.

OLD BUSINESS:
a. Fence Update: Ruth Taylor, chair of the Policy Committee, reported on the history and current status of the fence erected by the Athletic Dept. around the track area. Ms. Taylor made the following motion:

That the Commission on Classified Staff Affairs make a recommendation to the Athletic Council, that because of the limited hours that the Classified Staff will have to use the fenced in area behind Jervey based on their work schedules, that the Council make every effort to recommend to the Athletic Department that the hours this area is opened for use be extended to cover a time period from 7:30 a.m. until dark on weekdays and weekends. If the track area itself has to be secured, perhaps consideration could be given to extending the hours that the practice fields will be open for use.

Mike McLeod moved an amendment to the motion changing the word dark to sunset. The motion to amend was seconded and passed.

The vote on the original motion as amended was favorable.

Ms. Nicks will forward the recommendation to the Athletic Council.
