STATE OF SOUTH CAROLINA
OFFICE OF THE GOVERNOR
COLUMBIA

May 30, 1947

In the death of General J. P. Derham, South Carolina has lost a splendid citizen and leader. For many years he served the State faithfully with the South Carolina Tax Commission. He was one of the original members of the South Carolina Tax Commission and rendered the State long and distinguished service in this department of the State Government. The many friends of General Derham throughout the State will deeply mourn his passing.
