**TIGERS**

## ON COVER

With the Clemson Memorial Stadium Pressbox and a section of crowded stands in the background, 1953 Tiger standouts Don King (at top) and Co-Captains Dreher Gaskin and Nathan Gressette appear ready for the new season.

**DON KING**, sophomore quarterback from Anderson, will be the key man in Frank Howard's new split-T offense. With Billy Hair hurt most of last year, Don had a similar responsibility as number two tailback in the single wing while only a freshman. He responded by leading the Tigers in total offense. His first run from scrimmage, against Presbyterian, was for 28 yards and a touchdown. His first starting assignment, against Fordham, resulted in a new individual rushing record of 234 yards (net). Rated tops on defense, as a safety, after spring practice, the versatile 170-pound King will also kick extra points and perhaps kick off.

**DREHER GASKIN**, senior from Orangeburg, is considered the finest defensive end ever to play for Clemson. He'll also be the number one pass receiver this fall. Standing six feet, four inches, and weighing 225 pounds, Gaskin is hoping for his first complete season without injury since playing as a regular on the 1950 Orange Bowl team while a sophomore. A broken leg suffered in the first game of 1951 kayoed him for that year, and a fractured foot a week before the 1952 season commenced spoiled his chances last fall.

**NATHAN GRESSETTE**, senior from St. Matthews, has been a regular defensive tackle for two years. A great competitor and leader, he'll be the key man among a comparatively green group of linemen. Standing six feet, two inches, and weighing 225 pounds, he won't be hurt by the change to one-platoon football.

## **THE HEAD COACH**

Frank Howard, Clemson's head football coach and athletic director, is one of the most aptly named persons in the coaching profession. He is frank in his speech to the point of being called a character, and his Barlow Bend, Ala., drawl and tobacco chewing have resulted in his being tagged a "professional hill-billy" by many sports scribes.

He has become a tradition in the state of South Carolina since his appearance on the Clemson campus as line coach back in the fall of 1931. He's been head coach and director of athletics since early in 1940. Three of his teams have participated in bowl games during the past five years, the 1948 eleven going undefeated and untied and the 1950 squad having but one tie game to spoil an otherwise perfect mark.

The young Howard was reared in the Mobile, Ala., area, attending high school there where he made a name for himself as a student, leader and athlete. He was considered too small at 180 pounds for Alabama but attended there anyhow and was soon making his presence felt in the line from his guard position. He was a first stringer on Wallace Wade's Rose Bowl team of the 1930 season, being called the "Little Giant" of the Crimson Tide's "Herd of Red Elephants."

Upon graduation in June of 1931, Howard accepted the line coaching job at Clemson under Jess Neely. When Neely left Clemson for Rice Institute following the 1939 Cotton Bowl season, the frank spoken Frank Howard was next in line for the job, attended the Athletic Council's meeting and seconded his own nomination. He's been running the Clemson athletic show ever since.

Still very active, the Clemson mentor insists on coaching his linemen altogether in addition to supervising the over-all practice. Until recently, he didn't mind demonstrating what he meant about blocking though wearing no practice pads.

Always eager to improve and change for the better, Howard was the most enthusiastic of all the players and coaches last spring when Clemson switched from the single wing formation to the split-T. Beaming frequently, he'd tell friends, "I feel like a little boy with a brand new toy." If the "new toy" pays off as well as the old one — single wing, then Clemson followers can expect success for years to come.

Coach Howard is married to the former Anna Tribble of Anderson. They are the parents of two children, Alice 17, and Jimmy 11.

# ***Outlook for 1953 . . .***

Superstitious Frank Howard was never so glad to see a football season end as he was his "unlucky thirteenth" as head coach at Clemson last fall. The Tigers, with a wealth of talent returning from their Orange and Gator Bowl teams of 1950 and 1951, were doped to have a good year; but, besieged by injuries and hampered by "bad bounces of the ball" in the games, Clemson finished up with a disappointing two wins, six losses and one tie.

All that is behind him and his charges now, and as he so confidently puts it today: "Well, there's one consolation about having a bad year. You can only go up the next time." And that is where the Clemson football Tigers are pointing in 1953.

There are four big reasons why the climb won't be an easy one: (1) Clemson will be operating on offense from the split-T formation after more than a quarter century of employing the single wing, (2) the return to one-platoon football after almost a decade of free substitution will weaken the Tigers on either offense or defense, (3) the varsity squad is predominantly sophomore in makeup, meaning inexperience beyond the first eleven and (4) Clemson's schedule is another difficult one.

Coach Howard and his assistants have been working tirelessly with the various phases of T-formation football since plans to convert were announced late last November. Though the Tiger staff will add some "wrinkles" of its own, the 1953 Clemson offense will closely resemble Oklahoma Coach Bud Wilkinson's split-T brand.

Wilkinson's interesting, and highly successful, style of play depends on a smooth operating quarterback to make the offense go. It's the same with any "T" club, being as important as a triplethreat tailback is to the single wing. Don King, the Tigers' leading player in total offense last fall while a reserve freshman tailback, filled the bill perfectly during spring drills. There are three lettermen behind him, though none so versatile. They are: Forrest Calvert, Pooley Hubert and Bob Paredes.

The return to one-platoon football won't hurt Clemson nearly as much this fall as it might have in 1952. Most of the Tiger "specialists" of the last three years were graduated in June. Most of the lettermen returning can play both offense and defense.

Veteran ends Dreher Gaskin and Scott Jackson are two strong examples. Jackson played half the time on defense last fall as a regular; Gaskin, considered the best defensive end in Clemson history, was the offensive star in Clemson's spring game this year.

It's just about the same with tackles Nathan Gressette and Clyde White. Tipping the scales at 225 pounds each, they've both seen action on offense and defense as regulars. Letterman reserve Tommy Mattos can go both ways, too.

Regular offensive guard Joe LaMontagne showed a natural ability on defense in the spring; letterman linebacker Andy Smalls was passable as an offensive center; and non-letterman Nolten Hildebrand impressed coaches as the second best all-round guard.

Except for quarterback King, who Coach Howard figures might be the best safety since Shad Bryant, it might be difficult for the Clemson coaches to play their best offensive backs on defense. Left halfback Buck George, right half Bill O'Dell and fullback "Red" Whitten have much to learn about pass defense and tackling. Considered best all-round backs at the end of spring drills were Jimmy Wells and Kenneth Moore at the halfbacks and Crimmins Hankinson at fullback.

How strong the support will be behind the lettermen regulars is dependent on how fast the many sophomores learn. Rated high by the coaches are ends Joe Bowen, Walt Laraway and Vernon Carlton; tackles B. C. Inabinet and Hampton Hunter; guards Ormond Wild and Bill Russell; centers Wingo Avery and John Greene; and backs Joe Pagliei, "Shot" Rogers, Doug Thompson, Buddy Helton, Hankinson, O'Dell and King.

As for the schedule, Maryland, number one team in the Atlantic Coast Conference, and Georgia Tech, top team in the Southeastern Conference, are the big ones; Boston College, Miami, South Carolina, Wake Forest and Auburn are at least on a par with Clemson; and The Citadel and Presbyterian are somewhat below par.

## QUARTERBACKS

**FORREST CALVERT** — Senior — 6-0 — 180 — 22 — North Charleston . . . . May well come into own this final season . . . . Was one of surprise "finds" during spring drills . . . . ## LEFT HALFBACKS

**BUCK GEORGE** — Junior — 5-11 — 180 — 21 — Rock Hill . . . Has had the best rushing average on the Clemson team for two years . . . He should do much better as a T-back . . . Once he reaches secondary, it's a real headache for the opposition . . . He's one-fourth Indian . . . Is studying textiles.

**DICK HUSSEY**—Sophomore—6-0—180—18—Harleyville . . . Hardest hitting defensive back on team . . . Loves it rough . . . Better-than-average offensive player . . . **JIMMY WELLS**—Senior—6-0—180—21—Columbia . . . Handicapped as single wing back . . . He was best of left halfbacks in spring drills . . . Not so flashy but very fast and hard-driving . . . Defensive ability gives him edge, too . . . Earned letters as defensive performer in 1951 and 1952 . . . A dashman in track . . . Studying architecture.

## RIGHT HALFBACKS

**W. C. (Buddy) HELTON** — Sophomore—6-0—195—20—Fountain City, Tenn. . . . Is a "sleeper" among Tiger halfbacks, having been hurt during most of spring drills . . . A powerful runner . . . Deceivingly fast . . . Was number three tailback behind Billy Hair and Don King last fall . . . Not too bad as passer . . . Is always "cutting the fool" . . . Studying textile manufacturing.

**KENNETH MOORE** — Junior — 5-9 — 165 — 22 — Calhoun, Ga. . . . A real competitor on offense and defense . . . Stood out in spring drills as ball-carrier, after having been only average as single wing wingback . . . Used mostly on defense in '52 . . . Played two years of Marine football before returning to Clemson last fall . . . Was Georgia's leading prep scorer as high schooler . . . A good student . . . Major in dairying.

Made several nice gains in spring game . . . A potential track star . . . Came to Clemson to study textile manufacturing.

## FULLBACKS

**LAWRENCE GRESSETTE** — Senior — 5-11 — 190 — 21 — St. Matthews . . . Hopes to make a comeback in '53 . . . After gaining 590 yards as a sophomore on Gator Bowl team, he was sidelined all last fall with pulled muscle in leg . . . Appeared ready in spring as intra-squad game's leading ground-gainer . . . Set single game record for fullback in '51 with 177 yards net against Auburn . . . President of Clemson's student body . . . A "B" student with major in arts and sciences.

**CRIMMINS HANKINSON** — Sophomore — 5-11 — 195 — 20 — Waynesboro, Ga. . . . Injuries prevented his playing last fall . . . Showed signs of being best all-round fullback in spring drills . . . Fast and powerful . . . Inexperienced but strong linebacker . . . Good pass-receiver . . . An education major.

**JACK SHOWN** — Junior — 5-11 — 185 — 20 — Fountain City, Tenn. . . . Did virtually all the punting as two-platoon "specialist" last fall . . . Rated with top punters in nation much of the time . . . Appeared to be best blocker and linebacker among fullbacks in early spring practice before suffering a broken arm . . . Very definitely a "sleeper" . . . Is studying agricultural education.

**RICHARD (Red) WHITTEN** — Junior — 5-10 — 190 — 19 — Macon, Ga. . . . Shared "most valuable on offense" honors with Don King last fall as Clemson's top rushing back . . . Built low to ground, and with the speed of a dashman, Red is a difficult target for the opposition . . . Only shortcoming this fall is a lack of experience on defense . . . Was All-Southern prep star before coming to Clemson . . . Was married in June . . . A good student in textile manufacturing.

## **PRESBYTERIAN COLLEGE**

(Blue Stockings)

September 19 at Clemson—8 p. m.

**Coach:** Lonnie S. McMillan, P. C. '21

**Sports Publicity:** Ben Hay Hammett

**Colors:** Garnet and Blue

**Location:** Clinton, South Carolina

Like Clemson, the Presbyterians are in a "building" period. Their three-six record last season will likely be improved upon in 1953 if Coach Lonnie McMillan's 15 returning lettermen and promising freshmen prove durable.

Southpaw quarterback Harry Hamilton, who passed for a touchdown against both Clemson's varsity and junior varsity in 1952, will be the key man for the Hose. He passed for six Presbyterian touchdowns as a sophomore quarterback alternate with the graduated "Lefty" Harper. Halfback Gene Carter, who passed for two touchdowns, ran for two and caught a pass for one, is the best looking halfback on hand. Bobby Jackson and Joe Counts, a pair of ends, will try to make up for the loss of standout Joe Kirven. Presbyterian's line is the biggest question mark.

**Series Record:** Clemson leads 26-3-4.

**Officials:** R—J. D. Rogers, Jr. (W&L); U—R. A. Collier (Wake Forest); L—Joseph Sinke (Duke); J—J. C. Hambright (U. N. C.)

## **BOSTON COLLEGE**

(Eagles)

September 26 at Boston, Mass.—2 p. m.

**Coach:** Michael J. Holovak, Boston College '43

**Sports Publicity:** Charley Harvey

**Colors:** Maroon and Gold

**Location:** Chestnut Hill, Massachusetts

With half of his varsity squad composed of last year's unbeaten freshmen, Coach Mike Holovak is hoping to have his best team in this his third season as head coach. He'll not field a green team, however, for on hand are 19 lettermen.

Most of the Eagles' best backs of the past two years are again available. These include quarterback Jimmy Kane, an accurate-throwing passer, and Joe Johnson, best running back on the squad.

Providing the support up front are a host of giant linemen, rated by the Boston scribes as the "best in a decade." Coach Holovak is hoping to use the old "shock troop" system in substituting, figuring he has the depth to take advantage of one platoon football to this extent.

**Series Record:** Clemson leads 6-3-0.

**Officials:** R—T. F. Kelley (Eastern); U—R. J. Devlin (Eastern); L—Bee Harper (South Carolina); J—J. B. Todd (W&M).

## UNIVERSITY OF MARYLAND

(Terrapins)

October 3 at Clemson—2 p. m.

**Coach:** James M. Tatum, North Carolina '35

**Sports Publicity:** Joe F. Blair

**Colors:** Old Gold, Black, Red and White

**Location:** College Park, Maryland

Maryland, pre-season choice as top team in the new Atlantic Coast Conference, lost enough all-stars to graduation last June to cause the average college coach to retire. Gone are quarterback Jack Scarbath and tackle Dick Modzelewski, everybody's All-Americans; ends Weidensaul, Colteryahn and Alderton; center Tom Cosgrove; guards Bill Maletzky and Frank Navarro; halfback-fullback Ed Fullerton. But returning are 24 lettermen.

Optimist Jim Tatum figures he'll have another winner. He's banking on Bernie Faloney to do as well as Scarbath at quarterback and calls his halfbacks, led by Chet Hanulak, "the best since I've been at Maryland." Top line prospects are veteran tackles Bob (Blubber) Morgan, a 235-pounder, and Stanley Jones, a 245-pounder, and 200-pound guard Herb Hoffman.

**Series Record:** Maryland leads 1-0-0.

**Officials:** R—Orrel J. Mitchell (Georgetown); U—Fritz Turner (South Carolina); L—Bee Harper (South Carolina); J—Harry Montgomery (U. N. C.)

## UNIVERSITY OF MIAMI

(Hurricanes)

October 9 at Miami, Fla.—8 p. m.

**Coach:** Andy Gustafson, Pittsburgh '26

**Sports Publicity:** George Gallet and Wilbert Bach

**Colors:** Orange, Green and White

**Location:** Coral Gables, Florida.

Miami, Clemson's Orange and Gator Bowl playmate of 1950 and 1951, is looking upward this season. The 1952 Hurricanes were as disappointing as the 1952 Clemson Tigers, and like Frank Howard, Coach Andy Gustafson figures things can't get worse this fall.

Rich at end and at quarterback, Miami will likely concentrate on its passing game. Coach Gustafson is the first to admit that his running attack is off. Guards and centers provide another big question mark.

Names to remember are those of quarterback Don James and ends Frank McDonald, Tom Pepsin, Bob Nolan and Jim LaRussa. They'll likely have a lot to do with Miami's success on offense. James passed for almost 1,000 yards in '52; McDonald caught 32 for 418 yards.

**Series Record:** Miami leads 2-1-0.

**Officials:** R—Orrel J. Mitchell (Georgetown); U—C. A. Powell (Furman); L—Puryear (Southeastern); J—Cheves (Southeastern).

## UNIVERSITY OF SOUTH CAROLINA (Gamecocks)

October 22 at Columbia, S. C.—2 p. m.

**Coach:** Rex Enright, Notre Dame '26

**Sports Publicity:** Don Barton

**Colors:** Red and Black

**Location:** Columbia, South Carolina

With five All-Staters included among the 25 returning Gamecock lettermen, Coach Rex Enright has the makings of one of his finest teams in 13 years as head coach. End Clyde Bennett, guard Frank Mincevich, center Leon Cunningham, quarterback Johnny Gramling and halfback Gene Wilson are the quintet of stars; but, also on hand are such familiar sounding names as Bob King, Bobby Drawdy, Joe DeFore, Bill Wohrman, etc.

It will be recalled that Cunningham was the game's most valuable player against Clemson last fall and that the Gamecocks won the "Big Thursday" clash with a Gramling to Wilson aerial. Bennett and Wilson were Gramling's leading targets all season in setting new school passing marks.

**Series Record:** Clemson leads 29-18-3.

**Officials:** R—M. C. Woods, Jr., (Wofford); U—C. A. Powell (Furman); L—L. S. Pierce (Davidson); J—Harry Montgomery (U. N. C.)

## WAKE FOREST (Deacons)

October 31 at Clemson—2 p. m.

**Coach:** Tom Rogers, Duke '34

**Sports Publicity:** Bill Hensley

**Colors:** Old Gold and Black

**Location:** Wake Forest, North Carolina

The Deacons have the backs to field one of their strongest teams in years—quarterback Sonny George, halfbacks Bruce Hillebrand and Billy Churm and fullback Jim Bland. However, up front, Coach Tom Rogers lost everything except a couple of ends.

With plenty of big, strong sophomores in the line, Wake Forest isn't to be trifled with. It shall be interesting for both Clemson and Wake Forest fans to have their teams meeting again after a year's layoff caused by the boycott of the Tigers.

**Series Record:** Clemson leads 10-8-0.

**Officials:** R—Wilburn Clary (South Carolina); U—H. T. Smith (Duke); L—Joseph Sink (Duke); J—H. C. Hawn (Lenoir Rhyne).

## GEORGIA TECH (Yellow Jackets)

November 7 in Atlanta, Ga.—2:30 p. m.

**Coach:** Robert L. Dodd, Tennessee '31

**Sports Publicity:** Ned West

**Colors:** White and Old Gold

**Location:** Atlanta, Georgia

Rated atop the Southeastern Conference perch in virtually all pre-season listings, Georgia Tech provides the Tigers with their big target for 1953. Though losing a number of standouts off his unbeaten 1952 squad, Coach Bobby Dodd still has All-America halfback Leon Harde-  
man on hand and fullback-linebacker Larry Morris. Morris is the answer to a one-platoon coach's prayer.

The Yellow Jackets appear to have as much offensive punch as ever, and assuming mastermind Dodd can get his boys accustomed to playing both on offense and defense, he'll likely disappoint few of his prognosticating friends.

**Series Record:** Georgia Tech leads 19-8-0.

**Officials:** R—Kain (Southeastern); U—Luttrell (Southeastern); L—Ed Clary (South Carolina); J—James W. Grey (Davidson).

## THE CITADEL

(Bulldogs)

November 14 at Charleston, S. C.—2:30 p. m.

**Coach:** John McMillan, South Carolina '41

**Sports Publicity:** Jennings Cauthen

**Colors:** Blue and White

**Location:** Charleston, South Carolina

Unless Coach Johnny McMillan can find some strong offensive players to take up the slack of losing Buddy Friedlin and Paul Chapman, he'll likely have to rely on defensive football in 1953. The Bulldogs are expected to be stronger in the line than last year, so rival offensive powerhouses might find the going rough.

Best looking prospect for Friedlin's vacated quarterback spot are last year's reserves, Bubba Williams and Chick James.

**Series Record:** Clemson leads 20-5-1.

**Officials:** R—W. R. Dukes (South Carolina); U—R. A. Collier (Wake Forest); L—M. K. Ford (South Carolina); J—C. Lem Harper (South Carolina).

## AUBURN

(Tigers or Plainsmen)

November 21 at Clemson—2 p. m.

**Coach:** Ralph Jordan, Auburn '32

**Sports Publicity:** Bill Beckwith

**Colors:** Burnt Orange and Navy Blue

**Location:** Auburn, Alabama

Though having a number of last year's top players on hand, Auburn folks report that sophomores and freshmen must come through if the Plainsmen are to field an improved team. Vince Dooley and Bobby Freeman, both of whom excelled against Clemson in 1952, are the leading candidates for post season honors in 1953.

Dooley and Freeman are both two-way backfield aces, while a solid forward wall should be anchored by the rugged Ed Duncan, a 215-pound guard.

**Series Record:** Auburn leads 21-11-2.

**Officials:** R—Orrel J. Mitchell (Georgetown); U—C. A. Powell (Furman); L — Wood (Southeastern); J—Bently (Southeastern).

# *About the College . . .*

## **CLEMSON ESTABLISHED**

On November 27, 1889, the Senate and House of Representatives of the State of South Carolina drew up an Act of Acceptance of the will of Thomas Green Clemson authorizing the establishment of Clemson as the Agricultural and Mechanical College of this state. Clemson was a distinguished scientist of his day and served as the nation's first superintendent (now secretary) of Agriculture. He married the daughter of John C. Calhoun, the noted Southern statesman.

## **LOCATION AND SIZE**

Located on the former plantation of Calhoun and Clemson in the northwestern corner of South Carolina, thirty miles from the foothills of the beautiful Blue Ridge Mountains, the college has grown from an institution with 446 students when it opened its doors in 1893 to the present day enrollment of 2800. The campus proper embraces 1646 acres. This is exclusive of hundreds of acres scattered over the state as a part of the experiment stations.

## **THE PRESIDENT**

Dr. Robert Franklin Poole became president of Clemson in 1940, succeeding the late Dr. Enoch Sikes. Born in Laurens County, S. C., December 2, 1893, Dr. Poole was graduated from Clemson in 1918. He received his Ph. D. degree from Rutgers in 1921. He spent 17 months in France and Germany with the Aerial Photography Service during World War I. He was assistant plant pathologist at the New Jersey Agricultural Experiment Station from 1920 through 1926. Dr. Poole went to North Carolina State College in 1926 and remained there until he accepted the Clemson presidency in 1940. He is a past president of the Association of Land-Grant Colleges and Universities, the Association of Southern Agricultural Workers and the Southern Association of Colleges and Secondary schools.

## **PHYSICAL PLANT**

Clemson's physical property has grown from a value of \$250,000 in 1893 to \$18,000,000 today. There has been a great expansion since World War II. Construction added in this time includes a new agricultural engineering building, chemistry building, boiler plant, apartment hotel and faculty homes, ceramics building and laundry. A new \$4,000,000 dormitory project is scheduled to get underway in the near future and a \$6,000,000 educational building project is also being contemplated.

## GRADUATES

During the past fifty-five years, more than 30,000 students have studied at this Land Grant college, and its graduates number more than 10,500.

## WAR RECORD

Clemson has been a military (ROTC) all male institution since its beginning. More than 6,000 former Clemson students served in the armed forces during World War II, and 365 are known to have paid the supreme sacrifice. Some 2,000 alumni have been on active duty during the Korean crisis and twenty of them have lost their lives. Both Army and Air Force ROTC programs are offered. Army branches include infantry, armored cavalry, engineers, ordnance, quartermaster, and signal.

## EDUCATIONAL DIVISIONS

The College's main divisions include the Schools of Agriculture, Engineering, Chemistry, Arts and Sciences, Vocational Education, and Textiles. Graduate work can be obtained in most of the Schools. Twenty-nine curriculums are offered in the six schools. They are in Agriculture: agricultural economics, agricultural engineering, agronomy, animal husbandry, botany, dairy, entomology, horticulture, poultry, pre-forestry and pre-veterinary. In Arts and Sciences: arts and sciences, industrial physics and pre-medicine. In Chemistry: agricultural chemistry and chemistry. In Education: education, industrial education and vocational agricultural education. In Engineering: architecture, architectural engineering, ceramic engineering, civil engineering, chemical engineering, electrical engineering and mechanical engineering. In Textiles: textile chemistry, textile engineering and textile manufacturing.

## EQUAL OPPORTUNITY

Clemson allows each student to stand on his own feet. Though Clemson students come from every walk of life, they have a common leveling denominator in the ROTC uniform which all non-veteran students must wear. There are no social fraternities, and all students must live in the college dormitories. Thus, the son of a worker in a corporation may come to Clemson along with the son of the same corporation's chairman of the board and have equal opportunities. This situation has created a fine spirit among the Clemson student body which has been carried out into the world wherever Clemson men may gather.

## NOTE TO THE PRESS

We've tried to make the 1953 edition of TIPS ON THE TIGERS as complete as possible; but, in the event we've failed, don't hesitate to call on us for any supplementary information. In addition to stories and facts about the Tigers, this office is equipped to fill your every need in the way of pictures (individual and group). Also available are one-column mats of the "first forty" players on the squad.

The 1953 home football schedule is one of the most attractive in years. We hope you will see fit to visit with us as often as possible.
