Cooper Library Public Information Coordinator

Display Description

Looking for something (sort of) new to read this summer?

Check out our June display of modern retellings.

The display includes retold fairy tales, classics, mythology, and Shakespeare – among the works you'll find a cyborg Cinderella, Elizabeth Bennet battling zombies, Greek gods and goddesses that can be reached via the 600th floor of the Empire State Building, and star-crossed lovers in the streets of Harlem.

The display will be up throughout June; come by to find a new twist on an old favorite.
