International Film Award  
Nominees and Winners Display

February 2017

# Display Description

Catch up on an award-worthy film you may have missed!

February's library display features international film award nominees and winners from around the globe. The films have been culled from the 2014, 2015, and 2016 nominee lists of such major awards as the BAFTAs, the Ariel Awards, the Asian Film Awards, and the European Film Awards, as well as from international film festivals such as Cannes, Beijing, Berlin, Cairo, India, Tokyo, Toronto, San Sebastian, and Venice, and more.

Each film on display has a label indicating the category or categories in which it was nominated; each winner is indicated with a sticker on the label.

The display is currently located on the Cooper Library 4<sup>th</sup> floor display shelf and everything is available for checkout.
