The $50.00 service fee for Fike will not increase this year, but there will probably be a small family fee attached. The Occasional Use System will go to $4.00 per day beginning in July, and the Guest System will also be $4.00 per visit. Conference Services will handle University Guests.

The primary expenditure of their budget is paid to students. Jim gave us literature on all the various areas of his area and responded to questions raised by the members.

Margaret Pridgen and Beth Jarrard of the Clemson Weekly were introduced. Margaret gave us an overview of some of the changes that have been transpiring in their area. She gave the Commission an opportunity to view a draft of the new design for the Clemson Weekly. The new Weekly will be tabloid size, have a new title and will be published every two weeks. Margaret asked the Commission members to please submit comments to Beth by May 1, 1991.
The minutes for the March meeting were approved after it was noted that Elizabeth Hills was present instead of absent.
