STATEMENT OF J. STROM THURMOND, GOVERNOR OF SOUTH CAROLINA, ON COOPERATION OF BAKERS IN THE FOOD CONSERVATION CAMPAIGN, COLUMBIA, S. C., OCTOBER 25, 1947

The bakers of South Carolina have signified their willingness to cooperate in the President's Food Conservation campaign. I commend them for their patriotic stand, and request housewives and retailers to give their support to this program. Audley H. Ward, State Director for Food Conservation, is working zealously to bring about a reduction in the waste of food and an increase in the production of food. South Carolina is replying to the President's call with deeds, not words.
