WHY EDGEFIELD PEOPLE SHOULD TRADE AT HOME.

A few of the many reasons why Edgefield people should trade at home are given below:

1. Edgefield merchants sell high quality merchandise.
2. They give as good values for the dollar as can be obtained elsewhere.
3. They are reliable and trustworthy and will replace any article that proves unsatisfactory.
4. They are honest, and do not deceive or take advantage of a customer.
5. They are generous, and cheerfully respond to frequent appeals for charity.
6. They support our schools, churches, and other activities for betterment of our Town and County.
7. They actively participate in enterprises for up-building of the community.
8. They are our neighbors, live among us, and are entitled to first consideration.
9. They are our genuine friends and accord us many personal favors.
10. Money spent with them remains in the community and helps everyone here.
