President Cecil McCaskill called the meeting to order at 10:05 a.m.

**Present:** Baker, Allgood, Belding, Harbin, Matheson, Haynes, Reese, Moore, Kleister, McCaskill, Waddell, Butler, McGuirt, Evatt, Pawlowski, Alexander, Hickman, Clark, Perry, Robbins, Pullen, Bishop.

Guest speakers Anita Albert, Cathy Sams, and David Dryden presented a program on the new logo for Clemson University. Their committee was charged with developing a new logo for Clemson. This particular time was chosen because of the restructuring and need to create a strong positive image that was easily recognizable. Three examples were displayed in different formats including: stationary, mugs, and t-shirts. Their research indicated the most common term used to describe Clemson is traditional. Information gleaned from different resources enabled the committee to narrow many ideas to the three presented. The final logo may not be one presented today, but a combination of these ideas. Marketability affects the development and design as does the flexibility of use by different areas. Appropriate logos may differ from academics to athletics. The commission members asked questions and voiced their opinions on the different selections. The committee has presentations scheduled across campus and welcomes input. Anita can be reached at extension 2469 and Cathy at 4233.

The minutes were approved as written.
