   Promotion or Transfer with additional responsibilities: May be done anytime for additional duties and responsibilities.

   Performance Pay: Were to be effective on 7/1 originally. Scott Ludlow and the Administrative Council amended this to have the VP’s accept them through 8/15. These funds come out of departmental budgets. Contact your Budget Center representative regarding this. They will be effective for Pay Base “T” employees on 9/12 and for Pay Base “A” employees on 9/19.

Non-Base Pay increases are as follows:

   Temporary Salary Adjustment: Money for acting or interim period. Must be approved in advance by state for a six (6) month period or less.

There is an overall cap on General Increase and other increases of eight percent (8%) per the Administrative Council. The State does not allow retro-activity. Updates of position descriptions on a yearly basis at Evaluation time should be done. Training on writing position descriptions is available from Fran or Vivian.
