1. The August and September minutes were approved as amended.

2. Announcements from the President: Cathy Bell reported
   A. Academic Council: Brian received information package for past three months. The next meeting is on
      Monday.
   B. Administrative Council: They have not met in past couple of weeks. October 4, 1999, there was a report
      from the President’s Commission on the Status of Black Faculty and Staff. They are conducting “open
      meetings” at Holmes Ballroom on Thursday, October 28, 1999 at 9:30-11:30AM and 1:15-3:15PM. There
      will be two sessions.
   C. Board of Trustees: Committee meetings were held Thursday and the full Board meeting was held on
      Friday. Cathy attended Budget and Finance Committee and full Board meetings. She was not on the agenda,
      although, Thorton Kirby had said she would be able to report on the CSC at the Board meeting. Cathy
      will be put on agenda per Betsey. Betsey will also give her dates and times of meetings.
   D. Governmental Affairs: Kathy Skinner asked for CSC representative to take part in selection process for
      Director of Interagency Initiative. Cathy seat reply since representatives in Columbia area were not
      available to do this.
   E. President’s Cabinet: No report.

3. Treasurer’s Report: Greg Padgett doesn’t have the budget yet. He has a bill from CVS; he will contact Karen
   Addis to see who needs to be reimbursed. Cathy asked about her reimbursements as well. He has not worked on
   this lately. Steve Copeland will be getting Greg a budget status report for CSC soon.

4. Committee Reports:
   A. Membership: Alexandra Barnes reported FMO representative from Area #19, Shirley Vandiver, has left
      the university per her co-representative. Supervisor was to notify us, but we have not heard from him. Cathy
      asked Alexandra to announce that representatives need to notify us if they leave the university and to return
      their notebooks. We need an updated list of who is in what area. Dick will have Lucy run us an up-to-date
      list of departments by areas.
   B. Communications: Cathy Bell reported for Jerry Beckley that they are finishing up on the Benefit Fair
      follow-up, which includes letters to donors and list of winners. Karen is currently working on Newsletter.
      She hopes to have it ready by next month’s meeting. Web site is out there. We have had 600 hits on the
      website since last month. Give all suggestions for Web site to Barbara Bergman and Jerry Beckley. Letters
      to businesses needs to be sent out.
   C. Policy and Welfare: April Warner reported that a list of peer institution was distributed to members to
      contact regarding comparison of Benefits package. Prescription Drug Card program ($5.00/generic and
      $20.00/name brand or actual cost) starts on January 1. Golf discounts to staff will not be done. April
      changed resolution to thank-you letter. Fran McGuire suggested letters be sent to Pat Smart and Stef
      Rogers. Cathy suggested sending it to Student Government, Horace Skipper, Scott Ludlow, Student Body
      President, Graduate School President, and Harold Harris Extension Senate President. April will make
      SCSEA Legislative Dinner announcement at next CSC meeting.
   D. Scholarship: Cory Massey reported that they met on 10/7, at which time they went over dates for
      tournament – 5/19/00; no rain date set yet. Walker Course will not set rain date until the date of the event.
      500 copies of brochures were printed for the Benefits Fair. At the next meeting (Thursday, 11/11 at
      9:00AM) they will try to pass out list of sponsors and door prize contacts to give out assignments. They are
      still working on thank-you notes. Many good suggestions were received at end of tournament and they plan
      to use them this year. Dianna Haynes was last year’s co-chair, no replacement. Betsey is recorder. On the
      item of shirts, Cory talked to Dave Dryden. Dave is checking on this for us. There are approximately 56
      shirts available. He thinks it would be a donation to the CSC or Scholarship Committee. Tim Match will not
      re-order shirts due to legal technicalities. Brandy has 20 persons interested in purchasing shirts. The
      majority of the CSC representatives did not want to sell shirts. Per Cathy, the library staff wants shirts also.
      Cory is waiting to hear back from Dave. We may possibly give shirts to all current CSC members. Shirts
      will be sent to representatives with note to participate in Solid Orange. Greg will look into how we could
cover costs. Cory would like to wait to see what we get. Alexandra made a motion “to investigate getting t-shirts for free and if this option is not available, see what they cost with the intent of giving one to each representative and selling the remainder.” The motion was seconded and approved.

Cathy will tell Beth at next CSC meeting on November 9 that Jim Barker will be the guest speaker at the next CSC meeting. Cathy will not reply back on parking spots.
