The following members were present:

The meeting was called to order at 2 P.M. by the Chairman, Mr. Alan Johnstone, to consider the report of the State Board of Charities and Corrections concerning applicants for scholarships.

The Secretary of the Board of Charities and Corrections, Mr. Albert S. Johnstone, appeared before the Board, and explained the method of investigation, and how the Board obtained data other than that given by the parent or guardian.

President Riggs read the letter of transmittal from the Chairman of the Board of Charities and Corrections, and then took up the report in detail by counties.

The following is the report made by the Board of Charities and Corrections:

Columbia, S. C.,
September 1, 1916.

Senator Alan Johnstone, Chairman,
Board of Trustees of Clemson College,
Clemson College, S. C.

Dear Sir:-

As required by law, I herewith hand you the report of the State Board of Charities and Corrections on the financial condition of those applicants for beneficiary scholarships in your institution listed by you as eligible. Our report covers simply the results of our investigation as to the ability of the applicant, and if such persons as are liable in law for his support and maintenance, to pay. You will observe that we have classified your list of eligibles by counties, arranging them in the order given us by you. On separate sheets, we have listed these by counties and opposite each name have written "Pay" or "Ben." Those marked "Pay" are
in our judgment not entitled to beneficiary scholarships under the law; while those marked "Ben" are, so far as we can learn, the deserving cases which the law is intended to aid, provided, of course, they meet the qualifications other than financial inability.

Yours very truly,
(Signed) Geo. B. Cromer,
Chairman.

Moved by Mr. Evans:— That the report of the Board of Charities and Corrections be adopted.

Motion adopted.

Mr. Alan Johnstone requested that Dr. Riggs write to the Chairman of the Board of Charities and Corrections, Dr. George B. Cromer, and convey to him the thanks of the Board of Trustees for the thoroughness of the report.

President Riggs suggested that in view of the fact that the Board is required by law to pass upon all applicants for free tuition, that the regular November meeting be postponed until such time in December as the State Board of Charities and Corrections is ready to make its report concerning applicants for free tuition.

Moved by Mr. Wannamaker:— That the November meeting be postponed until such time as the Board of Charities and Corrections could make its report, and that the meeting of the Board of Trustees be held as early as possible thereafter.

Motion adopted.

President Riggs recommended that $550.00 be appropriated to issue a new bulletin on Rural School Buildings and furnish plans and drawings for same.

Mr. Alan Johnstone stated that this recommendation could be received as information, as there were only eight members present, and no appropriation could be made.

The members present stated that they would vote to make the appropriation at the next regular meeting.

President Riggs stated that the Clemson College Hotel had been taken over by the College in accordance with the action of the Board at the July meeting. That he had employed Miss E. C. Porcher at $35.00 per month as Manager, Mrs. M. B. Rugd at $20.00 as Assistant
Manager, and would pay Miss Sadler or some one of the stenographers $5.00 per month for doing the necessary typewriting and clerical work.

Moved by Mr. Mauldin: That the Board adjourn.

Motion adopted.

Approved:

S. N. Evans
Secretary.

A. M. Johnston
Chairman.
