5. Unfinished Business
A. Ombudsman:

1) Search Committee: Due to coordinating schedules and arranging meetings, the committee should be small in number. It should consist of at least five, but no more than seven members. Connie Lee, Faculty Senate President and Gene Troutman, Executive Secretary to the Board of Trustees, have expressed interest in serving on the search committee. Phil Landreth recommended having four classified staff committee members. Gary Gaulin suggested selecting current and past presidents of the Classified Staff Senate to serve on the committee. The consensus of the Executive Committee was to ask Richard Cowan, Lynn Boiter, Ron Addis and Phil Landreth to serve on the search committee. Richard Cowan will extend an invitation to Gordon Halfacre, Connie Lee and Gene Troutman to serve on the Staff Ombudsman Search Committee. Proposed committee members: Richard Cowan, President of the Classified Staff Senate; Lynn Boiter, Vice President of the Classified Staff Senate; Ron Addis, Ex-Officio of the Classified Staff Senate; Phil Landreth, Ex-Officio and Secretary of the Classified Staff Senate; Connie Lee, Faculty Senate President; Gene Troutman, Executive Secretary to the Board of Trustees; Gordon Halfacre, Ombudsman for Faculty and Graduate Students.

2) Job Description: Lawrence Nichols will work on narrowing the job description to two or less pages. Richard Cowan spoke about some information he found regarding ombudsman positions. Karon Donald will make copies of the handouts and distribute to the Executive Committee via interdepartmental mail. The handouts provided information on the ombudsman offices at the University of Virginia, Southern Illinois University Carbondale, Kent State University (Attachment A). A position advertisement was also included for the National Institutes of Health (Attachment B).

3) Salary: Jenny Peay asked Lawrence Nichols about salary expectations for the position. He replied that $60,000 was the amount he used in his discussions with President Barker. Lynn Boiter inquired about the position classification. She wanted to know if the position would be unclassified or classified. The group strongly agreed with making every attempt to keep the position classified. The position will be funded through the Human Resources Department.

4) Location: The plan is to provide office space at the Clemson House for the staff ombudsman position. This location is preferred because of privacy, shared support staff, and mentoring opportunities.

5) Oversight Committee: Lawrence recommended reviewing the Faculty Manual for guidance in structuring this committee.

B. 2006 Senator Vacancies: Chris Sober stated that with the large amount of vacancies occurring in 2006, Senators-at-large will need to be utilized.

Recommendations to increase participation:

1) Speakers: Change from monthly to quarterly and keep to a time limit. Suspend the business portion of the meeting when President Barker addresses the Senate.

2) Alternates: Review the Faculty Senate policy on attendance. The Senators from each area would serve as each other's alternate.
3) Business: Too many items are being discussed and decided in the Executive Committee meetings. Bring more issues before the Senate for discussion.

4) Meetings: Phil Landreth made a motion to invite three Senators to attend the Executive Committee meeting in January in an effort to increase participation. Dan Schmiedt seconded the motion, and the vote was unanimous.

6. New Business: Lynn Boiter asked if letters were sent to Senators with attendance problems. Letters were sent to Keith Chapman and Brad Goff. The letters reminded them of the attendance policy, next meeting date and time, and stressed the importance of the Senate to Clemson University. Lynn Boiter made a motion to notify the supervisors in writing if Keith Chapman or Brad Goff was not in attendance at the December 13, 2005 meeting. Jenny Peay seconded the motion, and the vote was unanimous.
