Moved by Dr. Timmerman:— That the President's recommendations in these matters be approved.

Motion adopted on roll call vote.

The President recommended the adoption of the following resolution by the Board stating that Dr. Brackett concurred in his recommendation:

First: That the Board disapproved as a policy the payment of extra compensation for so-called extra work, and declines to continue after this fiscal year the extra compensation to Messrs. Foy, Freeman and Robertson, authorized as an emergency measure during war conditions.

Second: That the salary of these officers beginning July 1st, 1921, shall be as follows:

<table>
<thead>
<tr>
<th>Name</th>
<th>Salary</th>
</tr>
</thead>
<tbody>
<tr>
<td>John T. Foy</td>
<td>$2,100</td>
</tr>
<tr>
<td>B. F. Robertson</td>
<td>$2,750</td>
</tr>
</tbody>
</table>

The above salaries are to be prorated between the College and the experiment station as the interests between these two departments may number.

Third: The above-named officers are expected to perform any kind of analytical or chemical work required by the Director of the Chemistry Department, both for the college and for the experiment station; and to perform those so-called extra duties for which they have hitherto received extra compensation; provided the number of fertilizer samples in future seasons does not exceed materially the number of samples handled in 1919-'20.

Fourth: The Director of the Chemistry Department is hereby constituted and appointed as Chemist to the South Carolina Experiment Station, without change of source or amount of salary; this appointment to become effective July 1, 1921.

Moved by Mr. Wannamaker:— That the recommendation be approved.
