MEETING OF THE BOARD OF TRUSTEES IN COLUMBIA

The Board met at 3:00 P.M. in the Director's office, Palmetto National Bank. Mr. Alan Johnstone, Chairman, being absent, Mr. Manning presided over the meeting.

The President stated to the Board that he had no formal report to make, this being a called meeting, and no special report being required by the By-laws.

He gave some statements in regard to the prospective attendance for the ensuing session, and some reasons which would work against as large an attendance as last session.

He reported that the new tile floor had been completed in the messhall, and had been extended to the kitchen, the bakery and the dish washing room.

He reported that the inventory of the college this year figured a total cost value of $1,398,455.48, and an estimated value of $2,575,074.02.

The President recommended to the Board that the Student Activities Fee of $12.00 be applied as hitherto determined in a lump sum to the Y.M.C.A., Tiger, Chronicle, Lyceum and Athletic Association, but that the specific amount for these be not designated until by the experience of this year, the amount can be accurately determined.

This recommendation was approved by the Board.

The President reported certain verbal and unimportant changes in the Cadet Regulations made in order to comply with the new By-laws.

"July 31, 1920.

To The President of the College:

Dear Mr. President:

In order that the new regulations may agree with the By-laws, the following amendments to the regulations as adopted at the last meeting of the Board of Trustees are necessary:

The new paragraph which now reads "Any cadet who shall absent himself from barracks without leave between call to quarters and reveille shall be dismissed or less severely punished." should be amended to read: "Any cadet who shall absent himself from barracks without authority between call to quarters and reveille shall be TRIED BY THE DISCIPLINE COMMITTEE AND dismissed or less severely punished.

Insert old paragraph 270 as it stands.

Omit old paragraph 272.

Omit the words "President" or "from old Paragraph 274.

Change old paragraph 280 as amended to read: "Any cadet who shall receive 67 demerits during any one term or a total of 150 demerits during the session shall be required by the President to immediately withdraw from college without a trial by the Discipline Committee."
The words "without a trial by the Discipline Committee" were substituted for the words "The Discipline Committee shall not pass upon cases of excessive demerits."

Add the section on the By-laws on Discipline as part of the regulations.

Respectfully yours,

(Signed) J. W. Cummins
Commandant.

He also recommended that a time limit be placed upon the appeal of cadets from demerits, and such punishments given by the Commandant, and suggested ten days as the limit. This suggestion, together with the suggestions embodied in Col. Cummins' letter, were adopted by the Board.

The President requested the Board's permission to make the following verbal changes and other slight changes where one By-law was in conflict with another:

In Section 16 - change from three to four members.

In Section 17 - change "November" to "April."

In Section 40 - omit "and with the Treasurer shall sign all checks authorized under these By-laws or by action of the Board."

In Section 23 - omit "the signatures or both the President and the Secretary-Treasurer shall be required on all checks to render the same valid."

In Section 47 - Second line, strike out the words "and his assistants." and after the first sentence add "The Treasurer's assistants shall likewise be bonded for such amount as the Finance Committee may prescribe."

In Section 48 - 6th line, change "demonstration work" to "extension service."

In Section 65 - Add "7. Student Affairs."
In Section 66 - Add as a division of the Agricultural Department, "Chemistry."

In Section 71 - 7th line, change "shall" to "may".

In Section 71 - 8th and 9th lines, omit "shall be the."

The President explained that these changes referred to the By-laws as adopted by the board at the July 1920 meeting.

The changes suggested by the Board were approved by the Board, to be made the subject of a roll call vote at the next regular meeting.

The President presented the report of the State Board of Public Welfare as follows -
