STATEMENT BY J. STROM THURMOND, GOVERNOR OF SOUTH CAROLINA, ON THE DEDICATION OF THE NEW WHITESIDE BUILDING OF THE SOUTH CAROLINA BAPTIST HOSPITAL. NOVEMBER 12, 1948

It gives me great pleasure to join my fellow Baptists of South Carolina in extending sincere congratulations to all those who had a part in the construction of the new Whiteside Building, and to my friend Dr. W. M. Whiteside for his untiring efforts in behalf of this institution.

The new building will be considered as a great forward step in an expansion program which will give the people of this State one of the finest hospital plants in the South. No work is more important to the welfare of our people than the improvement of our hospital facilities, and the extension of hospital care to more of our citizens.
