   **Next Meeting:** Tuesday, May 11, 2010, 10:30 a.m., Madren Conference Center
I am proud to be a third generation Clemson employee and graduate. My grandfather worked for Athletics from the time he graduated from Clemson until his retirement in 1973, and my mother worked for Extension until her retirement in 2000. I have worked for University Housing for the past six years coordinating the Assignments Office and managing the marketing efforts. I can truly say that my blood does run orange – the one time that I waivered on my decision to attend Clemson, my grandfather told me “Duke is a good school, but it’s no Clemson.” His words still ring true with me today. Clemson is a very special place, and it is very rewarding to be part of such an outstanding staff.

I would like to take this opportunity to say how honored I am to be serving the staff of Clemson University as Staff Senate President. I am humbled by the trust they have placed in me, and promise to represent them and their interests and issues during the next year. I am looking forward to working closely with the Board of Trustees and the Administration to continue the good work started by the past Staff Senate Presidents.

Last year was very productive for the Staff Senate. Two of the Senate’s most important accomplishments were the collaboration with the Office of Institutional Assessment in conducting a Staff Survey, and the successful implementation of a pilot Staff Development Program.

In the staff survey conducted last spring, employees identified certain areas where improvement would be beneficial. Some of those issues now are being addressed by the Compensation Advisory Group, Staff Senate, and Human Resources. It is intended that the survey will be repeated on a regular basis, potentially every two years.

The Staff Development Program Steering Committee is now preparing to review applications from potential participants in the SDP pilot. The two-month application period closed April 1. The Senate (one of several campus groups that had a hand in fashioning the pilot) is hopeful that this test of concept will be successful, and that it will carry forward as a sustaining effort in the future. The test is limited to 25 participants due to budgetary constraints, so competition among applicants will be rigorous.

In the spring of 2009, a Resolution was passed by the Staff Senate to thank the Board of Trustees, President Barker, and University Administration for taking measures to save staff jobs, along with expressing the Senate’s appreciation for the staff and faculty who are working harder than ever to preserve Clemson’s mission in a time of severe budget cuts.

The concept for a Furlough Relief Fund, used successfully to assist many Clemson staff who faced financial hardships as a result of the furlough earlier in 2009, was conceived in the Staff Senate. This relief effort arose out of the Senate’s recognition of needs that were expressed by employees when the mandatory furlough went into effect.
The Staff Senate newsletter was reinstated this year in order to keep staff better informed of current University issues and Staff Senate work. The newsletter is produced several times annually to communicate relevant information to staff. It is hoped that this periodical will continue to enhance communication of important issues in a timely manner.

The annual Staff Senate Scholarship Golf Tournament was held in October; and along with support from the Board of Trustees, allowed the Senate to again contribute a significant amount to the Staff Scholarship Endowment. Annual financial support comes through payroll deduction gifts by Clemson employees. The Staff Senate President recently worked with Matt Watkins to send a letter to all staff requesting gifts to this endowment and other Clemson funds, along with an appeal for unrestricted gifts to help with the general operations of the university.

The Staff Senate holiday fundraising drive in December was successful. Donations of food, money, toys, clothing, and other personal items were made to Helping Hands, Bethesda Ministries, and the Callen-Lacey Children’s Shelter, thus assisting in their mission of outreach and support.

The Staff Senate held a very successful and well-attended 25th Anniversary celebration at the Madren Conference Center following the General Faculty Meeting in December. The Senate was honored to have President Barker in attendance as a speaker for the event.

Several new initiatives to involve staff in university decision-making and events occurred this year. Senators and staff were involved in the budgetary planning and decision making process through their involvement with the budget task forces in 2009. Inclusion of the Staff Senate president on the Compensation Advisory Group and the Faculty Senate Budget Accountability Committee has given the Senate an enhanced level of communication and has increased transparency of university budgetary issues. The “meeting of the four presidents” with President Barker has afforded the Staff Senate President an opportunity to take concerns of staff directly to the University President. For the first time this year, the Staff Senate participated in hosting the State of the University Address. The Staff Senate President also participated in the staff appreciation baseball game on March 23, where he threw out the first pitch.

Article I - Name

The full name of this organization is the Clemson University Staff Senate, hereinafter referred to as the "Senate".

Article II - Responsibilities and Functions

Wherever used in these Bylaws, the term "employee" or "staff employee" shall mean a Clemson University permanent staff employee.

Study staff concerns and create a forum for two-way communication of ideas and concerns, which specifically relate to staff employees and the university mission.

Consider specifically the development of job and supervisory skills, compensation, benefits and welfare of staff employees, not to exclude other areas of concern, which are brought to the Senate’s attention.

Formulate and recommend to the President's Cabinet university-wide policies and procedures related to staff employees.

Develop a systematic means for communicating to all staff employees existing university policies, specific actions, and feedback concerning all matters considered by the Senate.

Article III - Membership

Section 1. Representation

The Senate is composed of voting members chosen and appointed using the following criteria.

A. Representation on the Senate will follow Budget Centers. Representation will be based on a 1:50 ratio of employees within a Budget Center. The representative numbers will be computed every year or as appropriate using February 2007 as the base year.

B. The incumbent may run for re-election if eligible under Section 3.A.

C. In the case of areas for which representation cannot be found (e.g., the majority of personnel are located off campus and unable or unwilling to travel to campus for meetings, or whose job duties do not permit them to serve as a Senator) the Executive Committee, at the recommendation of the Membership Committee, may appoint a Senator-at-large to represent that area.
   1. The appointed senator-at-large must demonstrate a willingness to actively serve as Senator for that area. Ideally, this person should have a connection to the area, either in physical location, a former employee of that area, a former Senator, etc.
   2. The appointment will be for a three-year term, or in the case of a resignation, for the remainder of the existing term.
   3. This option should be exercised only after an exhaustive search has failed to identify a staff employee who could serve as Senator.

D. All nominees must be employees in good standing with Clemson University.
Section 2. Elections

A. Elections shall be held in March of each year for the senator positions whose terms have expired and for any vacant senator positions. The terms of office shall begin with the April meeting of the Senate. Each year the Membership Committee will notify those voting, call for nominations, prepare ballots, and handle the election. The details of the elections shall be contained in a separate document, Election Procedures, to be reviewed and updated as appropriate by the Membership Committee with final approval by the Executive Committee. Membership will be based on a popular vote within the Budget Center. Ballots will be made available to the represented area and turned in on a specified date to the Membership Committee of the Senate. The senator will be chosen based on the number of votes cast. Should there be a tie; the Executive Committee will choose the individual to represent the area based on years of experience, standing with the university, performance of work, and perceived contribution to the Senate.

B. The Executive Committee will forward to the President of the University the name(s) of the individual(s) chosen by the above process to fill the vacant positions on the Senate. The President of the University will then officially recognize those individuals elected to the Senate.

C. A letter from the Senate will be sent to new senators informing them of their election to the Senate and inviting them to attend the first meeting of their term. At the annual new senator orientation, copies of the Roster and the Bylaws will be distributed.

D. If the vacancy amount equals or is less than the total amount of candidates, then those candidates become elected without a vote, by appointment of Executive Committee.

E. If an area is not represented by a senator for a period of two months, the Executive Committee may appoint a senator from the staff at-large to represent this area.

Section 3. Terms

A. Senators shall serve a three-year term beginning at the April meeting of the Senate. A maximum of two consecutive terms (6 years) may be served. A one year -term (3 years) interval is necessary before being eligible to serve again.

Section 4. Absences

A. If in a term year (April-March), a senator accumulates a combined total of more than six absences from regularly scheduled monthly meetings and/or regularly scheduled committee meetings, the senator may be dismissed from the Staff Senate. If a Senator realizes that their schedule or any other reason (with the exception of an approved FMLA) will not allow them to adhere to this policy, it is strongly recommended that their resignation letter be submitted to the Staff Senate office and/or Staff Senate President before a dismissal action is deemed necessary by the Senate Executive Committee. After three unexcused absences during the year—a senator’s status as a Senate member will be reviewed by the Executive Committee for possible removal from the Senate. (An excused absence is one which would cause an employee to be out of his/her office, such as traveling on business, vacation, illness, or other acceptable reasons. A member of the Executive

Committee or the Administrative Assistant should be informed of the reason for the absence in advance, if possible.

B. If it is determined by the Executive Committee that a senator should be a dismissal action should be initiated, dismissed removed, then a notification formal letter from the President of the Senate will be sent to the senator and his/her supervisor informing her/him of the committee’s recommendation.

C. Any current senator who receives a removal dismissal notification letter has ten (10) days upon receipt of notice, to respond to the letter explaining why he/she has exceeded the allotted absences.

D. If an appeal is received, a special Executive Committee Session will be called to determine the senator’s standing. No more than ten (10) days from the appeal receipt will pass, before a response will be given to the appealing member.

E. If the appeal is denied by the Executive Committee, a formal letter of dismissal will be sent to the Senator and her/his supervisor informing them of the senator’s status and the committee’s action.

F. If after the ten (10) days of allowable time to appeal has passed and no appeal is received, a formal letter of dismissal will be sent to the Senator and her/his supervisor informing them of the senator’s status and the committee’s action.

G. The will-Membership Committee will then begin to immediately fill that term with a senator from that senator’s budget center provided the dismissal occurs before September 30. If this dismissal takes place before September 30, of the year, a special election will take place to fill the vacated slot. If this takes place after September 30, of the year, the slot will remain vacated until regular elections in March.

H. If an appeal is received, a special Executive Committee Session will be called to determine the senator’s standing. No more than ten (10) days of the appeal receipt will pass before a response will be given to the appealing member.

Section 5. Vacancies

A. Vacancies occur due to resignation from the Senate, transfer from area represented, dismissal by the Executive Committee, or termination of employment. If Senator transfers outside the area he/she was elected to represent, but remains a staff employee, he/she may exercise the option to serve out the remainder of the term, subject to Executive Committee approval. Otherwise, vacancies may be filled by the person who received the next highest number of votes in the previous regular election or by appointment of the Executive Committee. When a vacancy is filled, the expiration of the term remains the same. For purposes of re-election, a new member who serves more than eighteen months shall be considered to have served one term. If the position is one that rotates through several colleges/divisions and it was due to rotate out, it will continue that rotation.
