Pendleton, S.S. March 4th, 1891.

If on the call of the Ex. Committee the Board met in the office of the Sur. Tax

Prest.

Col. R.W. Jackson Jr., Mrs. Orr
Hardin, Bradley, Endall, Norris.
Browning, Johnston, Donaldson
Atchison, Redfern & Gov. Tallman

On motion of Col. Orr, the Curriculum

Committee was requested to make

their report. After the reading of

the report the following was adopted.

Regulations:

Students are not to be admitted under
fifteen years of age, except where two
brothers apply, one being over fifteen,
the other not under fourteen.
Through proficiency in Arithmetic,
Geography, History, of the United States,
and a fair knowledge of Grammar,
are required for admission into the
College classes, but on account
of the condition of the public school
the faculty are required to establish
preparatory classes for pupils not
sufficient advanced but of required
age.

Students will be required to bring
with them two sheets, two blankets
or comforter, six towels and one Pillow.
All students will be required to

to walk two hours each month day,
unless excused for sickness or other
necessary cause, and continuation
of 2c allowance not to exceed eight
cents per hour.

Students who perform extra labor
not necessarily educational, shall receive compensation according to faithfulness and quality of work, not to exceed nine cents per hour.

For medical attendance, hospital, and for board, each student, upon admission, not to exceed five dollars, and no extra charge shall be made in any case of sickness. Expenses for board shall be actual cost of provisions and service, not to exceed $7.00 per month; washing, fifty cents per month; books and stationery at actual cost. All students shall be required to board in the institution, except those who live with their parents or enough to attend from their homes. The government shall be military, and each student shall be required to purchase a prescribed uniform of dark grey, to cost not more than $8.00, and such warm clothes as he may desire. Each student shall deposit upon admission the sum of $24.00 for said suits. Board shall be paid monthly in advance.

The first Thursday in February shall be the beginning of the collegiate year, which shall terminate on the fourth Thursday of November. The board decided that with the work, recreation, and during of employment, the students could not stand ten months, with the six days of regular duties,
Better than nine months and
five days of

under a different

system, and it would enable

the boys to get a better assum-
ing four years.

The cost to a poor boy runs up

For board, ten months, $7.00
For medical attention, 5.00
For washing, 5.00
For uniforms or clothing, 24.00

$14.00
$104.00

Which he may reduce by his labors.
For this for Boys of average must
be added to tuition fee of $40.00.

The College shall have two regular
departments: the Agricultural
Department, and the Technological
or Mechanical Department.

The general purpose of the Board
is to require the same course
of study, for both Agricultural and
Mechanical Departments, in
English, Mathematics, History and
Political Economy and Physics.

The course will begin to diverge
in Chemistry after first year, some
Agricultural Chemistry will be
required only of Students in the
Agricultural Department, as
will also Biology, Botany, etc.,
with Horticulture, in the shops
drawing and farm mechanics
will be required to a degree of
students, of both departments,
but will be greatly enlarged.
for Mechanical of Technological students, who will be required to take an extensive course in Mechanical and Civil Engineering. The following are the chairs recommended. The Professors being the same at the head of their studies common to both departments.
