Clemson College, S.C.
June 27, 1894.

The Board of Trustees met at the College this P.M. Present: Mrs. Simpson, Donaldson Mannamaker, Nash, Macladin, Bradley, Harris, Redfearn and Bower. Proceedings of May and April were confirmed.

Rids for rebuilding the College were then opened and were as follows:

J. N. Eagle
Miles and Bradt
James Smith
Grant & Miller
Atlanta Building Co.
Elliot & Elliot
Geo. W. Maurice
Nichols Allier
Ende & Walker

Rid of Ende & Walker accepted. On motion of Mr. Morse the bid of Ende & Walker was accepted. On this occasion the vote was reconsidered, and it was resolved that Ende & Walker be notified that their bid is the lowest, and that they must come forward at once within three days and execute contract, and if they fail to do so, then the contract be awarded to the Atlanta Building Co. upon their completing Contract.

Rid: That the Pres. of the Board be authorized to sign the contract in behalf of the Board with Mess. Ende & Walker, and in case Ende & Walker fail within three days to come forward and sign the contract, then that the Pres. of Bd. be authorized to sign contract with the Atlanta Building Co. upon their coming forward and defining the Contract. Mr. Mannamaker voted no; balance voted yes.

Rid: That the R. Com. be instructed to take journal.
Supervision of the building of the College and other work ordered by the Board of Trustees.

Re: That a Committee of three be appointed to read over specifications and report to Board tomorrow. Miss Wannamaker, Bradley and Mauldin are appointed.

On motion of Mr. Stackhouse it was resolved that a corner stone be placed in the building commemorating the burning and rebuilding of the College, not to exceed in cost $25.00.

Re: That Messrs. Bruce and Morgan of Atlanta be and are hereby employed as supervising architects for the rebuilding of the College, upon the following terms: They are to prepare all plans, specifications, drawings, and contract, and they shall supervise daily the erection of the building until it is completed, and shall be responsible to the Board for the erection of the building according to the plans and specifications submitted by them, which plans and specifications are hereby accepted, for the sum of 5% of the cost of erecting the building.

Re: That students be relieved of all class work on Saturday, but that they be required to devote two hours to study or miscellaneous reading.

Re: That the Ex. Cm. be empowered to receive the contract with Adam & Co., and make such change in uniforms as they may think necessary.

Re: That a Cm. of three be appointed to report on uniforms tomorrow if possible. Messrs. Stackhouse, Gardner and Redfearn were appointed.

Re: That the Dean inform Mr. Comptons that his communication has been received, and that the Board is perfectly satisfied with the design and construction of McK. Hall, but urge him to proceed at once to complete the roof and protect the building.

Re: That the Ex. Cm. is hereby authorized to confer
with Mr. Lumpkin as to internal arrangement of the building, and that they be authorized to make such changes as they may see proper.

Rec'd.

June 28, Board assembled again.

Committee on Specifications on College report.

Received as information.

Committee on uniforms reported, and it was resolved: That the contract for uniforms be renewed for 12 months with Case & Co., with the following alterations: The fatigue suit be made of uniform gray, Melton Cloth, 15 oz., same shade and color as dress suit, at the cost of $10.00 including cap—Cap $2.00, pants $4.00, Cap $1.00. Pants to have same stripe as dress pants.

Whole outfit, including dress suit, to cost $28.40, both caps to be blue of same quality as those of dress suit. Board then adjourned,

Read and approved August 8, 1874.
