## **Treasurer's Report**

Jennifer Arnold

NASIG finances continue to be healthy, and the investment account has made moderate gains over the past year. The slight difference in total equity between this year and last year at this time can be attributed to an increase in up-front payment for conference costs.

As of May 30, 2013

Equity total: \$530,512.14

Investment account: \$107,629.14

Checking account: \$34,873.22

Savings account: \$388,009.78

Committee expenditures are under budget estimates at this point.

Our revenue from the four webinars totals \$6,760.09.

For the 2013 Conference, we had 26 sponsors providing a total of \$34,000.

Thank you to all of our sponsors for their support! In addition, we added six organizational memberships for a total of \$9,000.
