President Deveraux Williams welcomed everyone and called the meeting to order.

1. Approval of Minutes – Terri moved to approve the minutes from the March 29, 2016 Staff Senate meeting as written. Roberta seconded the motion and the vote was unanimous. The minutes were approved.
2. President's Reports
 - A. Other
 1. Human Resources, Lisa Gagnon. Lisa provided the group with a document that OHR is working on that outlines the benefits for different types of employees. The document was for review during the meeting only. The document also included a comparison matrix for the types of employees – FTE, Time-Limited and Temporary Grant. Lisa will bring the document back for an additional review prior to disseminating to employees.
3. Financial Update, Leslie Doss. Funds remaining in the budget as of May 30th are (a) Vending: \$4,022.98; (b) Staff Senate operating (class 130): \$1,889.79; (c) Staff Senate operating (class 430): \$187.41; (d) SDP: \$-201.92.
4. Unfinished Business
 - A. Open Forum – No update from October 2015 forum, but the group suggested having a joint forum or town hall after the reorganization is complete this fall. Deveraux should speak with President Clements to get his thoughts on the idea.
 - B. State Outreach/CU4Health Assessments – If George Askew funds the travel, the Senate would like to visit all Research and Education Centers and as many Extension Regional Office as possible. The CU4Health assessments were well received and that is a benefit the Senate would like to facilitate again this year if funding is available. Leigh will assist with a proposal for the funding request.
 - C. Conflict of Interest Policy – Employees are still confused about the requirement to complete the conflict of interest training. Deveraux can ask for clarification at a meeting with OHR officials.
5. New Business
 - A. June 28th Exec and July 12th Senate Meetings – Due to the lack of business in July, the Senate meeting will be cancelled. Since the July Senate meeting has been cancelled, there is no business reason for the June Executive Committee meeting. Exec will resume in July and the Senate's next meeting will be August 9th.
 - B. Meeting Locations – Once outreach dates are set, an official request for complimentary meeting rooms for the remaining meeting dates will be submitted to the Madren Center.
 - C. Move-In – Clemson University Housing & Dining is excited to offer the opportunity to welcome new students to Clemson for the 2016-17 academic year as volunteers for 2016 Move In Day! Volunteers are needed on Saturday, August 13, from 8am-4pm to assist students and families with unloading cars and carrying belongings to the students' assigned rooms. There are two volunteer shifts available, 8am-12pm and 12pm-4pm. There may also be an opportunity for two shifts on Friday, August 12, from 8am-4pm for

the new Core Campus opening. To assist in planning, please go to the link below to submit your group's volunteer information. After submitting the form, you will be contacted in late May to provide additional details regarding volunteer names and email addresses.

- D. Meeting with Lee Gill. Deveraux Williams and Leigh Dodson met with Lee Gill. Both reported the meeting was productive and the passed along a suggestion from Lee. He suggested the Senate invite 3 or 4 "rising stars" in each budget center to Senate meetings to peek their interest in the work of the Senate and to get them more engaged with the University. Several mentioned the core curriculum component in the SDP has helped get staff to Senate meetings that normally wouldn't attend.
- E. Committee Documentation, Bindu Rangaraju. Bindu suggested each committee form a transition document for new committee members. This document would be beneficial to incoming chairs. Deveraux charged each committee to form such a document by next April.
- F. Vending Request – The request will be for \$14,000. The Senate received \$9,000 for FY16.
- G. Meeting with President Clements, Deveraux Williams. Exec was asked to list 5-7 things staff would like to have happen or get done. Keep in mind that suggestions should be things that are somewhat simple, realistic, and can happen within the year.
- H. Upcoming Presentations
 - June 14 – Baseball Facility
 - Tigers Together to Stop Suicide (Tentative)
 - August 9 and September 13
 - Office 365 Communication Team, Steve Fullerton
