The Chairman outlined to the Board the purpose of the meeting and requested that the Acting President of the College, Professor S. B. Earle, proceed with the reading of his report.

The Acting President S. B. Earle read to the Board the following petition presented by the Student Central Committee:

"TO THE BOARD OF TRUSTEES OF CLEMSON COLLEGE, THROUGH ACTING PRESIDENT S. B. EARLE.

As the duly selected representatives of the student body of Clemson College, acting in behalf of and by authority of this body, we would appeal to the Board of Trustees of Clemson College, through Acting President S. B. Earle, for relief in the following particulars:

FIRST: As one of the contributing causes to the deplorable action recently taken by the student body we would respectfully call to the attention of your honorable body incidents in connection with the mess which aroused the students. We present the following names of men who are prepared to testify under oath that on Saturday evening, October 11th, Link Sausages were served on the table for supper which were unfit for human consumption, some being wormy and some being moulded."
Further, That on Sunday, October 12th, some of the chicken which was served for dinner was spoiled to such an extent as to be offensive to the smell. The following men are prepared so to testify under oath:

Senior: Herlong, E. S. Soph: Crowson, J. K.
Junior: Elliott, W. R. Fresh: Hewlett, L. M.

We therefore petition the Board for more and better food.

SECOND: We respectfully petition your honorable Board to reinstate as students of Clemson College those men of the student body who left the campus without authority during Tuesday, October 14th and up to 7:30 P. M. on Wednesday, October 15th.

We recognize the action which caused these men to leave to be hasty, ill- advised and subversive to discipline, but we believe they left in good faith after a large majority of the students had voted to leave in a body. Therefore we feel that the great majority of the students who remained on the campus are equally guilty with them of wrong-doing.

We earnestly desire to complete our education at Clemson, and, if possible, atone for the wrong done the College through the action of the student body.

THIRD: We further petition your honorable body to grant us a Matron for the mess- hall for the following reasons:

1st, To act as hostess for such guests as may visit the mess-hall
2nd, Because the presence of a Matron tends to promote politeness in the mess-hall.
3rd, Because the men of the Corps have become accustomed to the presence of a Matron and keenly feel the absence of one.
4th, Because the presence of a lady in the mess-hall has a humanizing influence.

We sincerely trust that your body may see fit to grant our petition.
