Clemson College, S. C.

Dear Doctor Sikes:

The Alumni Central Committee which has charge of the campaign for collection of funds for a Physical Education Building met on June 2nd and after a discussion of the status of this campaign passed the following resolution:

"WHEREAS, the effort to make collections on pledges to the Physical Education Building Fund has met with an attitude of doubt on the part of many subscribers as to whether the funds collected will be used to provide facilities for the physical development of all students in accordance with the original plan and

"WHEREAS, in order to prosecute collections on these pledges, it is desirable to reassure the subscribers of the definite policy of the college administration with regard to carrying out this program to aid which the alumni and ex-students are undertaking to provide a building; be it therefore

"RESOLVED by the Alumni Central Committee that the Chairman be directed to appear before the President and the Board of Trustees at the next meeting of the Board, for the purpose of presenting this situation, and to request a statement from them of their future policy with regard to this matter so that such a statement may be used, in conjunction with our own resolution, to reassure the subscribers that the original purpose is being adhered to by all concerned."

The committee also passed the following resolution on its own account:

"RESOLVED that it is the fixed intention and purpose of the Alumni Central Committee to hold intact the funds collected for providing a Physical Education Building according to the original plan and purpose until such time as sufficient funds are in hand to accomplish this object."

I am enclosing a statement covering the present status of the campaign for your information and the information of the Board of Trustees. This statement gives the facts by classes on both pledges and payments.
I shall be glad to appear before the Board if necessary to explain any details regarding this matter. The cooperation of yourself and of the Board to the extent of passing some such resolution as that attached will aid the committee in its work.

Yours very truly,

D. W. Watkins
