         A. Spring Soiree Update
   B. University Committees
      1. President’s LBGTQ Commission, Holly Williams. Open Forum: The President’s LGBTQ Commission held an open forum on Friday, March 30. The purpose of the forum was to communicate with the campus and to provide members of the campus community the opportunity to pose
comments, questions, or concerns. Faculty, staff, administration, and students were encouraged to attend, although a student-only forum will be hosted at a later date. The forum was well-attended, with around 25-30 administrators, faculty, staff, students, and community members present. The Commission gave a short presentation on the history of the LGBTQ community, followed by just around 1 hour of discussion. The main points that came out of the forum, and which are relevant to Staff Senate, include the need to provide more training for staff and faculty on pronoun usage (his, her, their, etc). More Ally Training was also suggested, as well as having inclusive training within the LGBTQ+ community. Lack of gender neutral restrooms and communication also need looking at.

2. Accident Review Board, Rebecca Trutwin. The Board evaluated several accidents involving state vehicles to determine the level of fault of the Clemson University employee involved. Decisions were unanimous for every case.

6. Unfinished Business
   A. State Outreach – CU4Health assessments are being planned for July and August throughout the state, pending FY19 funding.

8. Announcements
   A. Staff Senate Awards Luncheon – The 2018 Awards Luncheon for Staff Senate is today (Tuesday, April 10th) immediately following today’s meeting, beginning at 11:30 a.m. also inside of Kresge Hall. We are pleased to have you join us for the luncheon as we welcome our newest senators, thank our outgoing senators for their dedication and service to the senate, and roll out our newly elected Staff Senate Officers. Remember, lunch is provided.
   B. SDP Application Period – The Staff Development Program application period is now open and will conclude on April 30, 2018, on which date by 4:30 p.m. all applications must be completed in-full (signed off by supervisor) and submitted to the Staff Senate/SDP Office at 801 Union. With the last scheduled SDP Information Session concluded, you may now access all relevant documents and forms, including the pre-recorded, audio-led PowerPoint presentation used at the Information Sessions, at the “Documents and Forms” link (left-hand side; 4th option down) on our website (clemson.edu/sdp). Please refer to that same “Documents and Forms” link for resources pertaining to program guidelines, application instructions, goal/activity brainstorming, example application, supervisor FAQ, and eligibility requirements; you may also refer to the “Eligibility” link for a direct-text resource regarding whether or not you are eligible to participate in the SDP. Please note that in addition to all other standing eligibility requirements, there is a revision to the eligibility guidelines highlighting that some employees that have converted from a TLP to an FTE may be eligible this year for the program. Time accrued in the TLP position (at 30+ hours a week i.e. full-time service) count toward your years of service at the university. If you are still in the same position as you were as of April 30th of 2017, you have met the 1 year in current position requirement. As service time in that TLP position would not have required any EPMS evaluations, the SDP requirement for applicants to have received at least a “Successful” on their EPMS for 2016-17 and 2017-18 would be waived, as it would not apply.

         A. Military Pin Order – Pins for the 2018 Staff Senate Veterans Reception have been approved and ordered by the Staff Senate office.
         B. Glazed Social (Report) – All the Staff Senators who joined the group for the social at Your Pie/Glazed had a great time! Please join the group in the future if you are interested in trying something new or spending a little bit of time with your Staff Senate counterparts after work hours.
      2. Communications, Jan Lay for Bindu Rangaraju. Jan notified the senate that she has been pulling numbers regarding access of the monthly Staff Senate newsletter and discovered that any time we linked to Box directly when sending out the final product, there were approximately anywhere from 400-600 hits, as opposed to the 20-30 or so when a direct Box link is not included and multiple clicks are needed to access the content. The Communications Committee has lots of new thoughts and ideas regarding ways to utilize and optimize the newsletter moving forward to reach the largest crowd with the most relevant material possible.

Call for Nominations (Ombuds Evaluation Committee Representative) – The university’s Ombuds program has advisory committees, modeled after Faculty Advisory Committees, on which standing Officer positions from the senates are seated, as well as 1 representative from Staff Senate and 1 general staff representative of the Staff Ombudsman’s choosing.
