Action Items

Approval of Minutes – April 20, 2017 – Trustee Dukes moved to approve the minutes of the April 20, 2017, meeting. Trustee Lynn seconded the motion. The motion was approved unanimously.

New Program – Master of Transportation Safety Administration – Bob Jones presented the program for consideration. The Institute for Global Road Safety and Security will offer a two-year, 30-credit Master of Transportation Safety Administration (MTSA). The MTSA is an online interdisciplinary transportation (road) safety education curriculum designed to develop professionals skilled at administering and managing road safety programs involving the complex interactions of the human-vehicle-road system. This program will utilize existing Clemson courses across multiple departments and colleges, modified to online delivery, as well as develop five new courses specifically for the degree. A one-year, nine-credit graduate certificate program, along with non-credit courses, will also be offered. The estimated implementation date is spring 2019.

Questions and discussion followed. Trustee Swann requested specific department names and contact information for action items requesting approval in the future. He also requested status reports for each action item after implementation. The Committee noted it would like to see an annual assessment of all actions of the Committee.

Trustee Lynn moved to approve the program. Trustee Dukes seconded the motion. The motion was approved unanimously.

New Program – Center for Connected Multimodal Mobility (C2M2) – Provost Jones presented the proposed program. C2M2 is a Tier 1 University Transportation Center recently funded by the Department of Transportation. Clemson is one of several institutions participating in this initiative. The Center’s goal is to become a globally recognized multimodal mobility innovation center for moving people and goods and specializing in connectivity, data analytics and automation.

Trustee Lynn moved to approve the center. Trustee Dukes seconded the motion. The motion was approved unanimously.

Program Modification – School Name Change from Eugene T. Moore School of Education to Eugene T. Moore School of Teacher Residency – This was presented as an information item only with the intent to be introduced as an action item later this year. Provost Jones noted the name change reflects a decision to
emphasize teacher residency as the preferred teacher preparation option in South Carolina. George Petersen answered questions.

Program Modification – Program Name Change from Professional Golf Management to Professional Golf Association Management – Provost Jones presented the proposed name change. The name change places the PGM in compliance with the PGA’s expectation for professional golf management programs. Not only does it reflect the program title used by the PGA Golf Management University Program, but it also makes the name of Clemson University’s program congruent with the names of the other 18 PGA Golf Management programs nationwide.

Trustee Dukes moved to approve the name change. Trustee Lee seconded the motion. The motion was approved unanimously.

Program Modification – Classification of Instructional Programs (CIP) Code Change for Graduate Programs in Architecture – Provost Jones presented the proposed program modification. Clemson University’s School of Architecture requests that the Optional Practical Training CIP code for the Master of Architecture and Master of Science in Architecture degree programs at Clemson be changed from 04.020 (Architecture) to 04.0902 (Architectural and Building Sciences/Technology). This request includes the Master in Architecture, Master in Architecture with a concentration in Architecture + Health, and Master of Science in Architecture degree tracks.

Trustee Lynn moved to approve the modification. Trustee Dukes seconded the motion. The motion was approved unanimously.

Information Items
Trustee Wilkerson referred to the previously distributed written reports.

There being no further business, Trustee Wilkerson adjourned the Educational Policy Committee.

Adjourn Educational Policy Committee

Chairman McKissick reconvened the meeting at 1:30 p.m.

**Convene Finance and Facilities Committee**

Trustee Smith convened the Finance and Facilities Committee.

**Executive Session**

Trustee Smith said it was necessary to go into executive session to receive legal advice on matters on pending and potential claims and other matters covered by the attorney client privilege related to capital projects. Trustee Lee moved to go into executive session. Trustee Peeler seconded the motion. The motion was approved unanimously. The committee entered into executive session at 1:31 p.m. and returned to open session at 2:22 p.m.

**Action Items**

- Approval of Minutes – April 20, 2017 – Trustee Richardson moved to approve the minutes of the April 20, 2017, meeting. Trustee Lee seconded the motion. The motion was approved unanimously.

- Approval – Tennis Center Funding Plan – Brett Dalton presented the request to fund the construction of the tennis center at 100% debt financed. He noted it was the most fiscally responsible plan.

Trustee Peeler moved to approve the funding plan. Trustee Lee seconded the motion. The motion was approved unanimously.

- Approval – Disposition of Property Located in Hampton County – Mr. Dalton presented the request to dispose of property. Between 1987 and 1989, Hampton County gave Clemson University approximately 44 acres of property located in Estill, South Carolina. At the time of acquisition, the deed stipulated that the property would be used by the Extension Office as an Aquaculture Demonstration Center. The deed further stated that if the property was no longer used for the intended purposes, then the property would revert back to Hampton County.

Early on the property was used for Extension programming, including aquaculture activities and local meetings, but overtime the costs associated with maintaining the property as an aquaculture center limited continued use of the property as such and the property was mostly utilized for local meetings. When University Extension determined that use of the property as an Aquaculture Center was not economically viable, further evaluation was conducted by Extension regarding other possible uses for the property, but no immediate uses were identified. Additionally, Hampton County provided a new facility for the County Extension Office to operate out of, at no charge, which has significantly reduced the University’s use of the property in Estill.

With the property no longer used for its intended purposes and with Extension’s determination that there is no immediate use for the land, Hampton County and the University believe it is appropriate that the property be returned to Hampton County as stipulated in the deed. Finally, in conversations with the University’s administrators for the property, disposition of the property would be positive for the University as indicated
above and with respect to the relationship with Hampton County.

Approval is requested to return the property to Hampton County, at no cost, as Clemson University no longer has a need for the property. This is consistent with the intent of the original transfer of the property and the deed allows for such return.

Trustee Richardson moved to approve the property disposition. Trustee Lee seconded the motion. The motion was approved unanimously.

Approval of 2017-18 Academic Tuition & Fees – Mr. Dalton reviewed the factors that impact tuition and fees, noting that state funding is a primary driver of tuition and fee increases. He noted that total mandatory, inflationary, and life safety costs alone will require a 1.2% increase to the University’s total budget.

President Clements shared appropriations data for Clemson’s benchmark institutions.

Mr. Dalton presented the proposed lowest percentage in-state tuition and fee increase in 20 years, including a 2.75% increase for undergraduate South Carolina residents and a 4.25% increase for undergraduate non-SC residents. The proposal includes a 0% increase for Graduate Assistant’s base academic fee and an average 7.61% increase for Graduate Tuition and Fees and 0% for Graduate Assistants. It also includes a 2.75% increase for South Carolina residents paying the College of Business differential and a 4.25% increase for non-SC residents paying the College of Business differential.

Trustee Richardson moved to approve the proposed tuition and fees. Trustee Phyfer seconded the motion. Trustees Smith, Richardson, and Phyfer voted in favor of the motion. Trustees Lee and Peeler voted against the motion. The motion was approved.

Approval of 2017-18 Housing and Dining Fees – Mr. Dalton presented the proposed fees. The dining plan rate increase requests range from 4.2% to 4.95%. He noted the average per meal cost for unlimited plans is still less than $5 per meal. The housing rate increase requests range from 2.47% to 4.97% for first year students, 4.86% to 4.88% for continuing students, and 5.13% to 15.50% for Greek students.

Trustee Richardson moved to approve the proposed housing and dining fees. Trustee Phyfer seconded the motion. Trustees Smith, Richardson, and Phyfer voted in favor of the motion. Trustees Lee and Peeler voted against the motion. The motion was approved.

Approval – FY 2017-2018 University Budget – Mr. Dalton presented the proposed budget.

Trustee Lee moved to approve the budget. Trustee Richardson seconded the motion. The motion was approved unanimously.

Approval – Series Resolution Rescinding and Replacing Previous Authorization of Athletic Facility Revenue Bonds to Finance Tennis Center Construction – Mr. Dalton presented the resolution for approval per the Committee’s discussion on tennis center funding earlier in the meeting.

Trustee Peeler moved to approve the resolution. Trustee Lee seconded the motion. The motion was approved unanimously.
