Call to Order

Notification as required by the South Carolina Freedom of Information Act was given at least twenty-four hours before the meeting by posting the notice and agenda on the bulletin board located on the ground floor public entrance of Sikes Hall, Clemson University and on the Clemson University Board of Trustees website. Additionally notice of, and the agenda for, the meeting was sent via email to the distribution list maintained by the Office of Media Relations which includes approximately 80 reporters and editors at the major daily newspapers, television and radio stations in S.C.

After notification as required by the Freedom of Information Act, Trustee Wilkerson, Chair, called the meeting to order at 1:00 p.m. with the following present:

Trustees: Kim Wilkerson, Chair; Bob Peeler, Vice Chair; David Dukes, Nikki Haley (video), Ronald Lee, Louis Lynn, Patti McAbee, Nicky McCarter, Smyth McKissick, Cheri Phyfer-Kubu, Mark Richardson, Bill Smith, and Joe Swann

Trustees Emeriti: J.J. Britton, Bill Hendrix, Tom McTeer, and David Wilkins

Administration: James P. Clements, President; Tony Wagner, Executive Vice President for Finance and Operations; Max Allen, Vice President and Chief of Staff; Hank Morrow, Executive Secretary to the Board of Trustees; Robert Donato, Chief Strategy Officer; Robert H. Jones, Executive Vice President for Academic Affairs and Provost; Chip Hood, General Counsel and Special Advisor to the Board of Trustees; Lisa Knox, Associate Vice President and Executive Director for Office of Institutional Excellence; Chris Miller, Vice President for Student Affairs; Felicia Benton-Johnson, Vice President for Diversity and Inclusive Excellence; George Askew, Vice President for Public Service and Agriculture; Angie Leidinger, Senior Vice President for External Affairs and Senior Advisor to the Board of Trustees; Rick Petillo, Chief Financial Officer; Tracy Arwood, Chief Ethics and Compliance Officer; Brian O’Rourke, Vice President of Advancement; Julio Hernandez, Assistant to the President for Community Engagement and Outreach; Brian Voss, Vice President and Chief Information Officer (via web); and Graham Neff, Director of Athletics
Hank Morrow called roll. Chair Wilkerson noted a quorum was present.

Joe Galbraith introduced members of the media in attendance.

Approval of Consent Agenda

Chair Wilkerson presented the Consent Agenda for approval and noted the Humanities Hub item from the Educational Policy Committee was removed from the agenda.

1. Approval of Minutes (Attachment 1)
   a. Summer Quarterly Full Board Minutes – July 20, 2023
   b. Summer Quarterly Committee Minutes
      i. Educational Policy Committee – July 20, 2023
      ii. Executive and Audit Committee – July 20, 2023
      iii. Finance and Facilities Committee – July 19, 2023
      iv. Compensation Committee - July 20, 2023
   c. Web/Teleconference Minutes
      i. Policy Governance Advisory Task Force – August 22, 2023
      ii. Policy Governance Advisory Task Force – September 25, 2023

2. Approval of Resolutions
   a. BOT Designee for state alcohol permit applications
      “The Board hereby appoints the Executive Vice President and Chief Operating Officer as the Board’s designee for applying for appropriate state alcohol permits related to alcohol service at Clemson University sponsored events.”
   b. Resolution for Unrestricted Estate Gifts to Clemson University (Attachment 2)

3. Agriculture and Natural Resources Committee
   a. Receive as information the reports for the Committee.

4. Compensation Committee
   a. Receive as information the reports for the Committee.

5. Educational Policy Committee
a. Receive as information the reports for the Committee.
b. Approval:
   i. New Centers
   ii. Clemson University Extension Center for Health Outreach
   ii. New Program
   ii. Master of Education in Learning Sciences
   iii. Program Modifications
   ii. Addition of Online and Blended Delivery for the Master of Science in Applied Health Research and Evaluation, and for the Certificate in Clinical and Translational Research
   iii. Curriculum Change, Master of Science in Nursing
   iv. Degree, Center and Institute Terminations
   v. Faculty Constitution Amendment
   vi. Clemson Experimental Forest Land Ethic and Management Framework

6. Executive and Audit Committee
   a. Receive as information the reports for the Committee.

7. Finance and Facilities Committee
   a. Receive as information the reports for the Committee.

8. Institutional Advancement Committee
   a. Naming Opportunities
   b. Receive as information the reports for the Committee.

9. Research and Economic Development Committee
   a. Receive as information the reports for the Committee.

10. Student Affairs Committee
    a. Receive as information the reports for the Committee.

Trustee Dukes moved to approve the consent agenda. Trustee Phyfer-Kubu seconded the motion. The motion passed unanimously.

Action Items

Approval: Fall 2024 Graduate Tuition

Tony Wagner presented the request to approve Fall 2024 Graduate Tuition. To provide graduate students the ability to complete any necessary paperwork in advance of the new year, the Graduate School has requested approval of fee changes early in the Fall. The complete fee schedule will be included in the full FY25 tuition and fee schedule as approved in the Spring of 2024. This action item reflects the following changes for Fall 2024:

- No tuition tier changes or increases
• One premier rate change for the Master of Real Estate Development from FY24 rate of $1,283 to FY25 rate of $1,350
• 5% increase for Research Sponsored Programs Graduate Tuition Remission
• Eliminate the following special tuition rates:
  o College of Education PhD programs enrolled prior to 2018
  o Master of Real Estate Development Full-time Rate
  o International Family and Community Studies Certificate Program

Trustee Dukes moved to approve the Fall 2024 Graduate Tuition. The motion was approved unanimously via roll call vote.

Approval: Approval: Summer 2024 Meal Plan Rates

Tony Wagner presented the request for approval of Summer 2024 Meal Plan Rates. In July 2023, the Board of Trustees approved a 4.0% increase for meal plans for FY24. This was driven by anticipated USDA away-from-home food costs and front-line salary increases that were realized over the past two semesters. The request is that the 4.0% increase be applied to 2024 Summer Meal plan rates as well.

Trustee Dukes moved to approve the Summer 2024 Meal Plan Rates. The motion was approved unanimously via roll call vote.

Approval: Lease of Space in the New Alumni Center

Tony Wagner presented the request to lease approximately 21,500 square feet of office space to the Clemson University Foundation (CUF) in the New Alumni Center Project located at the Madren Center Complex. Clemson University is constructing an approximately 98,000 square foot building at the Madren Center Complex. The facility is intended to be a place which focuses on the life-cycle of an individual with ties to the University. This includes a prospective student who visits campus for a college tour, to a current student needing assistance during their college years, and to alumni or individuals who desires to stay connected to the University and support the University through philanthropic gifts.

Along with the University units moving into this facility, the University has identified space which will house several affiliate organizations of the University which will assist in realizing the impact this facility will have to the University. The Clemson University Foundation will be leasing these spaces at a market rate and will also be responsible for its share of expenses associated with the facility such as utilities, building maintenance and operations, etc.

This lease will begin at the time the certificate of occupancy is issued for the building and will have a term equivalent to the remaining term of State Institution Bonds issued for the project. The lease is expected to commence in the last quarter of calendar year 2024.

Landlord – Clemson University

Tenant – Clemson University Foundation
Anticipated Lease Commencement – October 2024

Term – approximately 18 years

Square Footage of Lease – approximately 21,500 SQFT office space in the New Alumni Center Project located at the Madren Center Complex.

Total Lease Cost – $580,500 annually for the first year. 2.5% escalation will apply to base rent beginning in year two of the lease.

Rent per Square Foot – $27.00 / SQFT

- Base rent is $19.00 per square foot. Additional rent is expected to be $8.00 per square foot and accounts for operating expenses associated with the building and includes, but is not limited to, utility costs, building maintenance, and operational expenses such as insurance, janitorial services, etc.

Trustee Dukes moved to approve the lease of space in the new Alumni Center. The motion was approved unanimously.

Approval: Approval: Forestry Building (Lehotsky) Phase 2

Tony Wagner presented the request for Phase II approval for an additional $18,300,000 to increase the project budget for the Lehotsky Hall replacement to $68,300,000.

In July 2022, the Board provided Phase II approval for $50,000,000. This project is to request additional funds to support the replacement of Lehotsky Hall, which currently houses the Department of Forestry and Environmental Conservation and formerly held the Department of Parks, Recreation and Tourism Management. Lehotsky Hall is 44 years old and is one of the most energy inefficient buildings on the Clemson campus. Since the project was phase II approved in July 2022, several factors have increased the construction cost of the facility.

The updated project budget reflects true costs based on hard bids from subcontractors to the CM@R is based on full design documents and 50% construction documents. This budget increase includes all aspects of the original scope for the replacement of the old facility while maintaining an appropriately conservative owner-controlled contingency.

The replacement building is anticipated to be sited adjacent to the Godley-Snell Research Center and directly across Cherry Road from the Life Sciences Building. This location is ideal for the Department of Forestry and Environmental Conservation (FEC). Several FEC research faculty utilize the animal research facilities and equipment available at Godley-Snell. This location also provides FEC students with an ‘outdoor lab’ with easy access to Hunnicutt Creek and numerous tree resources nearby. This site also allows for a spacious service yard to aid in the frequent movement of tree cuttings, soil samples, and other large materials from the Experimental Forest without bringing these materials into the heart of campus.
The project increase is estimated at $18.3 million. The total project cost is estimated at $68.3 million. Project will be funded with $50mm in state institution bonds and $18.3mm in Maintenance & Stewardship Funds. Construction is planned to begin February 2024 with a completion date of Fall 2025. Trustee participation has been in place since the original Phase 1 approval and is recommended to continue.

Trustee Dukes moved to approve the project. The motion was approved unanimously.

Approval: Parking Garage Phase 1

Tony Wagner presented the request for Phase I approval for $1,185,000 million with a total current estimated budget of $79,000,000 for the construction of the Parking Garage.

Design and construction of a six level, approximately 1,200 space parking facility by the newly aligned Williamson Road to the East and Perimeter Road to the South. This location will leverage investments to both of those streets and to direct traffic to the perimeter of campus. Recent benchmarking and review by an external consultant recommended further expansion of parking capacity, as well as consideration of a parking garage.

The University parking system is fully utilized as of 2023 with an anticipated enrollment growth rate of 2 percent annually. As the University maximizes its land use to construct future facilities, it is anticipated that centrally-located surface parking supply will be displaced. This facility will be located centrally near the new alumni center and will provide high-density parking for alumni, visitors, athletic functions, and prospective students on campus tours.

Once parked, students, employees, and visitors will have direct pedestrian, bicycle, and transit access to the rest of campus, including a pedestrian bridge that will provide access to Fernow Street. The parking structure will include masking to mitigate visual impact, and will include elevators, parking access technology, and tailgating opportunities. The selected site not only offers convenience to visitors and commuters but offers sloping terrain minimizing visual impact of the structure and ensuring that no parking levels are below grade. The sloping terrain of this site and location near the existing road network allows for entry/egress from both Williamson Road and Perimeter Road and allows access on multiple levels of the structure that minimizes traffic congestion to, from, and within the structure.

Phase 1 budget is $1,185,000. The total current estimated budget is $79,000,000 and will be funded with Higher Education Revenue Bonds. Trustee participation in design and alternative construction selection is recommended.

Trustee Dukes moved to approve the parking garage phase 1. The motion was approved unanimously.

Approval: Proviso Projects Phase 1 and Phase 2

Tony Wagner presented the request for Proviso Projects Phase 1 and Phase 2 under 2024 budget proviso 117.136.
For the current fiscal year, permanent improvement projects, as defined in Title 2, Chapter 47 of the 1976 Code, where the cost is at least one million dollars but not greater than five million dollars for public research universities and not greater than two million dollars for all other public institutions of higher learning shall be exempt from the requirements of Section 2-47-50, except that a project shall not be considered approved without an institutions governing board having first voted to approve the project in a public session. Institutions shall provide a report of projects approved by their governing boards pursuant to this provision to the Chairman of the Commission on Higher Education, the Joint Bond Review Committee, and the State Fiscal Accountability Authority by November 15th of the current fiscal year.

New Projects:
- McCarter Family IPTAY Center Bottom Floor - $3,000,000
- Fernow Café - $3,000,000

McCarter Family IPTAY Center Bottom Floor Renovations - $3,000,000 Funded by Private Gifts. A renovation of approximately 6,000 square feet in the McCarter Family IPTAY Center to provide additional meeting, event and office space. Renovation will begin November 2023 and will be completed March 2024. Trustee participation and involvement is not recommended.

Fernow Street Café - $3,000,000 funded by Student Auxiliary Improvement Funds

A renovation of the Fernow Street Café Chick-fil-A space. This renovation will completely remodel the location to include remodeling the dining room and kitchen plus redirecting the entry and queuing lines through the dining room. Renovation will begin January 2024 and will be completed August 2024. Trustee participation and involvement is not recommended.

Trustee Dukes moved to approve the proviso projects. The motion was approved unanimously.

Committee Reports

Agriculture and Natural Resources Committee – Trustee McCarter provided a summary of information items.

Compensation Committee – Trustee McKissick provided a summary of action items and information items.

Educational Policy Committee – Trustee Peeler provided a summary of action items and information items.

Executive and Audit Committee – Chair Wilkerson provided a summary of information items.

Finance and Facilities Committee – Trustee Dukes provided a summary of action items and information items.
Institutional Advancement Committee – Trustee Richardson provided a summary of action items and information items.

Research and Economic Development Committee – Trustee Smith provided a summary of information items.

Student Affairs Committee – Trustee McAbee provided a summary of information items.

President’s Report

President Clements provided an update on activities since the last meeting.

Executive Secretary’s Report

Hank Morrow provided an update on the Clemson Medallion Selection Committee.

Vice Chair Election

Chair Wilkerson said it was necessary to elect a Vice Chair of the Board of Trustees. She asked for nominations from the floor. Trustee Smith nominated Trustee McCarter. The nomination was unanimously approved by acclamation.

Clemson Elevate Update

Members of the administration, including President Clements, Bob Jones, Angie Leidinger, and Lisa Knox, provided an update on the strategic plan, Clemson Elevate.

College of Veterinary Medicine Update

Angie Leidinger provided an update.

Adjourn

There no being no further business, Chair Wilkerson adjourned the meeting at 2:26 p.m.

Respectfully submitted,

Hank Morrow
Executive Secretary to the Board of Trustees

April S. Purvis
Approved 02/08/24
Date
Resolution for Unrestricted Estate Gifts to Clemson University

WHEREAS, Clemson University ("Clemson") is or may become a named beneficiary in a bequest or other estate gift, including but not limited to a life insurance policy, trust account, or pay on death account (the "Estate Gift"), and

WHEREAS, the Estate Gift document may state solely, "Clemson University" as the beneficiary with no specific intent for the use of the Estate Gift, and

WHEREAS, the Board of Trustees of Clemson University ("Board of Trustees") provides for a general delegation of authority to the President of Clemson University in the Board of Trustees Operating Manual, Chapter VI, Section C. ("General Delegation"), now

THEREFORE, BE IT RESOLVED, that when an Estate Gift to "Clemson University" with no discernable specific intent for purpose is outlined either in the testamentary document or other Estate Gift documentation, and the total value of such Estate Gift is less than One Million Dollars ($1,000,000), purpose determinations for such Estate Gifts shall be delegated to the President of Clemson University, such delegation following the General Delegation.

BE IT FURTHER RESOLVED that the President of Clemson is delegated the authority to establish one or more quasi-endowments in their discretion to honor the donor should the Estate Gift rise to the level of a named endowment at the time the Estate Gift is received. All unrestricted Estate Gifts received by Clemson equal to or greater than One Million Dollars ($1,000,000) shall be submitted to the Board of Trustees for purpose determinations.

BE IT FURTHER RESOLVED that this resolution shall apply to any Estate Gift already received with outstanding purpose determinations and any Estate Gift received from the date of this resolution.
