Executive Session

Chair Wilkerson said it was necessary to enter executive session to discuss pending property negotiations and property environmental updates and that no decisions would be made, and no votes would be taken. She stated that the board would reconvene in public session.

Trustee Dukes moved to enter executive session. Trustee Lee seconded the motion. The motion was approved unanimously. The committee entered executive session at 8:03 a.m. and returned to public session at 9:02 a.m.

Action Items:

1. Approval of the Pendleton Property Acquisition

   Laura Stoner summarized the request to pursue the acquisition of approximately 87 acres of land immediately adjacent to the George Aull Natural Area of the Clemson Experimental Forest (CEF) in Pendleton, SC from the Naturaland Trust.

   The property is used regularly for teaching and research which has noted the drastic changes in the ecosystem, forest canopy, stream degradation, wildlife, etc., due to the development of the surrounding community, which would be further degraded by the development of the 87-acre tract.

   In an effort to protect the Aull Natural Area, the University has worked with the Naturaland Trust and the South Carolina Conservation Bank on the acquisition of the approximately 87 acres from the current owner. The Naturaland Trust worked closely with the University and the South Carolina Conservation Bank to make an application and seek funding to assist with the transaction, resulting in a financial grant to cover the cash aspect of the transaction to be received by the Naturaland Trust to secure the property through a charitable bargain and then transfer the property to the University for no cost, resulting in no cash outlay by the University.

   This proposed acquisition has been reviewed by individuals of the administration, the Office of Land and Capital Asset Stewardship, CEF, PSA, and Office of the General Counsel who support the transaction. Additionally, this acquisition was previously approved by the Board of Trustees under a different deal structure.

   Trustee McKissick moved to approve the Pendleton Property Acquisition. Trustee Richardson seconded the motion. The motion was approved unanimously via roll call vote.

2. Approval of increase to the Phase 1 budget for the College of Veterinary Medicine to $110.466 million

   Tony Wagner summarized the request to increase the Phase 1 budget for the College of Veterinary Medicine to $110.466 million.
The College of Veterinary Medicine project includes the construction of approximately 232,500 gross square feet of teaching, clinical, and research facilities. The College of Veterinary Medicine will be constructed near the main campus of Clemson University at a site near the intersection of Starkey Road and W. Queen Street.

The administration requests approval to increase the Phase 1 budget to $110,466,000 to reflect the total funding provided by the State in the FY23 and FY24 budgets. These additional funds will enable the University to continue planning and design activities, begin initial site work and to award early release packages for long lead time items such as HVAC equipment, electrical transformers and switchgear, and structural systems. This total includes approximately $15,466,000 appropriated for the PSA Animal farms to support the College of Veterinary Medicine.

Trustee Peeler moved to approve the Phase 1 budget increase for the College of Veterinary Medicine to $110.466 million. Trustee McKissick seconded the motion. The motion was approved unanimously via roll call vote.

Executive Session

Chair Wilkerson said it was necessary to enter executive session to discuss personnel matters related to the dean search for CAFLS and PSA and to receive attorney client privileged legal advice and discuss pending contractual negotiations and security matters related to Corps of Engineers properties adjacent to campus. She stated that no decisions would be made, and no votes would be taken and that the board would not reconvene in public session. Trustee McKissick moved to enter executive session. Trustee Swann seconded the motion. The motion was approved unanimously. The committee entered executive session at 9:11 a.m.

Adjourn

There being no further business, Chair Wilkerson adjourned the meeting at 9:30 a.m.

Respectfully submitted,

April Purvis

Executive Secretary to the Board of Trustees
