### **PPC Update: Call for Proposals September 30<sup>th</sup> – November 15<sup>th</sup>**

Steve Kelley, PPC Chair  
Violeta Ilik, PPC Vice-Chair

The Program Planning Committee will hold one “Call for Proposals” from September 30–November 15, 2016 for the 2017 NASIG Annual Conference. More information regarding the proposal submission process will be available in the coming weeks.

PPC has identified three potential vision speakers who have been approved by the Executive Board, and we are now in the process of finalizing arrangements with these speakers. We hope to have news on this front in our next update. PPC is also discussing practical, hands-on workshops for the preconference sessions. We are looking forward to carrying on the tradition of bringing thought-provoking vision speakers, exciting workshops, and innovative sessions to the NASIG Annual Conference. Please contact the PPC Chairs at [prog-plan@nasig.org](mailto:prog-plan@nasig.org) if you have any questions or recommendations.
