

STATEMENT BY J. STROM THURMOND, GOVERNOR  
OF SOUTH CAROLINA, ON APPROVAL BY BOTH  
HOUSES OF THE GENERAL ASSEMBLY OF REOR-  
GANIZATION PLAN NO. 2. FEBRUARY 8, 1950.

The approval by both houses of the General Assembly of Reorganization Plan No. 2 is the beginning of a new day in South Carolina government. The centralized purchasing feature of this plan, alone, should save the State several million dollars a year of the people's money. The plan as a whole will mean greater efficiency and simplicity of government operation. I have advocated governmental reorganization throughout my administration, and I am proud and happy that this forward step has been taken. I hope other constructive plans by the Reorganization Commission will follow soon.
