Maria Hatfield, member (WT Cox Information Services)
Sofia Slutskaya, member (Georgia Tech Library)
Tessa Minchew, member (North Carolina State University)
Angela Dresselhaus, board liaison (East Carolina University)

Completed Activities

The Bylaws Committee finalized the changes in wording in Article VI. Committees Section 3 Terms of Office to add the Standards Committee into this section. The changes were approved by the Board and sent to the NASIG members for a vote held in November/December 2016. The results were Yes 79 and NO 1, so the Bylaws were updated.
Budget

None at this time. Most of the committee’s work can be handled via email.

Questions for Board

With Maria Hatfield joining the NASIG Board, the committee has another open seat. A previous seat on the committee opened up in the fall with the passing of Valerie Bross. Therefore, going forward the Bylaws Committee will need to have replacements for these two members.

Upcoming NASIG Webinar:

Continually updating webinar policies and documentation in response to past registrant questions and requests in order to preemptively address future questions and concerns.

Submitted by Kathryn Wesley

Members

Kathryn Wesley, chair (Clemson University)
Rebecca Culbertson, vice-chair (University of California, San Diego)
Char Simser, member (Kansas State University)
Stephanie Spratt, member (University of Colorado at Colorado Springs)
Michael Hanson, board liaison (Sam Houston State University)

Continuing Activities

Assist members who have trouble logging in to the website as needed. This is generally due to recently lapsed memberships that have not yet been deactivated.
Membership Reports: Sending new member reports monthly to Membership Development Committee (MDC), Communication and Marketing Committee (CMC), and Newsletter. Sending edited reports (names and emails only) of new members to NISO contacts.

Sending non-renewing member reports monthly to Membership Development.

Deactivating members who have not renewed two months past last expiration, and sending those reports to CMC for removal from NASIG-L. The December and January reports were much larger than is typical, and reflect the expiration of 2016 free library school memberships. Becky is doing the lion’s share of these deactivations.

D&D Manual Revision: Char completed a first draft of revising the D&D manual. Kathryn has begun reviewing, and may make additional revisions with the coming year’s change in committee structure in mind.

Have begun a project to delete old unpaid invoices. Hope to get to a project to delete former members who have not renewed memberships since 2011.

Completed Activities

Committee Membership Maintenance (summer 2016, mostly)

- Worked with CMC chair David Macaulay to settle whether which committee (D&D or CMC) should be responsible for checking committee/group membership boxes in member database. We decided it would be logical for D&D to handle.
- Confirmed that D&D member had AMO logins, divided up committees among D&D members, and completed project to update committee/group affiliations for the year. Added project to manual to avoid confusion.
- Added new committees not previously listed in AMO to the member management section and removed any no longer extant (e.g. 30th Anniversary Committee).
- Made additions and changes throughout the year as they came from Steve Oberg.

At the request of the board, sent a report to Membership Development of all members who joined within the last year (fall 2016)

Board Questions about AMO (Fall 2016)

At their fall meeting, the board asked D&D to investigate a number of issues having to do with AMO capabilities.

1. Library Student Memberships
   a. It is possible to send out a specific automated renewal notice to a specific member type.
   b. There is not a way within AMO to determine whether a student has graduated from library school

2. Recording Member Volunteer Activities
   a. This can be done in AMO Member Management in a function called Categories (see figure 1 below). Existing volunteer categories include chair, co-chair, committee member, conference coordinator, Executive Board member at large, Executive Board officer, etc. While there is a free-text description field where specifics could be recorded, it does not display in the member record, nor is it searchable (see figures 2 and 3 below).
   b. We think we can work around this by creating chair, vice chair, and member records for each NASIG committee, and any other position required. For example, chair – Database & Directory Committee, vice chair – Database & Directory Committee, etc. This would result in a long list of categories, but we think it can work.

3. Student Rates for Webinars
   a. It is not possible to set different rates for different member types, but there is a way to apply a discount called a promotion code. The code is entered by the registrant in the process of registering for the webinar
and a set discount is applied to the registration price. The promotion code would be set up in the process of creating the registration site for the webinar, so presumably it would be the bailiwick of the Continuing Education Committee (CEC).

b. It is possible to send out a broadcast email (blast) by member type, so CEC could do that when advertising the webinar, and include the library student promotion code in the email message. If needed, D&D or CMC could assist with this.

Worked with Steve Oberg and Rachel Erb (Membership Development Committee) to develop the charge of the Membership Services Committee (spring 2017).

Budget

No expenses.

Derek Wilmott, member (Clemson University)
Adolfo Tarango, board liaison (University of British Columbia)

Continuing Activities

The Chair is continuing to work with committee members to make sure the self-descriptors in the conference survey are as comprehensive as possible. The Chair is currently in the process of updating the manual to reflect the new procedures regarding committee self-evaluations. The Chair and Vice-Chair are working on the 2017 Conference Survey.

- The Chair tested the committee’s listserv.
- The Chair contacted the Board Liaison for suggestions on new questions/additions for the 2017 conference evaluation.
- The committee was asked to include more self-descriptors to accommodate the wide range of membership. The committee decided to add the following to the existing list: Access Services Librarian, Digital Scholarship Librarian, Government Documents Librarian, Instruction Librarian, Scholarly Communications Librarian, and Systems/Web Administrator, as these were the types of self-descriptors attendees had entered in the ‘other’ section in previous years.
- The Chair was in contact with the Board Liaison and Vice-President/President Elect to ensure that the committee web page and listserv was up-to-date.
- The Board accepted E&A’s recommendation to assume responsibility for regularly coordinating a NASIG committees’ self-evaluation survey, with an
analysis and report to the NASIG Executive Board every five years.

- The Chair requested and received access to SurveyMonkey to begin the process of creating the 2017 evaluation survey.

**Standards Committee**
Submitted by: Tessa Minchew

**Members**

Tessa Minchew, chair (North Carolina State University)
Mark Hemhauser, vice chair (University of California, Berkeley)
Jennifer Combs, member (Kansas City Public Library)
Deberah England, member (Wright State University)
Beverly Geckle, member and primary NISO representative (Middle Tennessee State University)
Christina Geuther, member and secondary NISO representative (Kansas State University)
Maria Hatfield, member (WT Cox Information Services)
Continuing Activities

The Standards Committee continues to cast the official NASIG vote on the monthly NISO ballots we receive as a benefit of our membership in NISO (http://www.niso.org/standards/ballots). NASIG is currently a member of the following NISO voting pools.

- ANSI/NISO Z39.78 (Library Binding)
- ANSI/NISO Z39.88 (OpenURL Framework)
- ANSI/NISO Z39.43 (Standard Address Number (SAN) for the Publishing Industry)
- ANSI/NISO Z39.84 (Syntax for the Digital Object Identifier)

The NISO voting workflow has been tweaked a bit since we began the process, and a rubric established, to make the work less time-consuming for the committee’s NISO representatives, Beverly Geckle and Christina Geuther. As another means to that end, the committee is working on a membership survey to gather volunteers who can offer expert advice on some of the more complex ballots that arise. The invitation to the survey will be posted on NASIG-L soon.

The Standards Committee has also been granted approval to write a “pop up” column in the NASIG Newsletter. The inaugural column, written by Emily Ray, discusses the upcoming release of COUNTER 5, and it was published in Volume 32, Number 2 (2017) of the Newsletter. The committee will continue to submit columns on an irregular basis, as a way of updating the membership about note-worthy happenings and issues in the greater standards community.

Completed Activities

As of the writing of this report, the Standards Committee has not quite made it through its first year of existence, but has still managed to accomplish a great deal. The committee created and documented its structure and procedures, including a committee manual and calendar, links to which can be found on the committee webpage. It also established a workflow and shared Google Drive structure for documentation.

Internal appointments were made. Jie Li was appointed to serve as web liaison. Beverly Geckle and Christina Geuther were appointed as NASIG’s official NISO representatives. Emily Ray was appointed as the committee representative for COUNTER-related topics. An external appointment was also made. Maria Hatfield was nominated to serve on the ISSN Revision Working Group at the invitation of Regina Reynolds (Director of the U.S. ISSN Center, Library of Congress).

Budget

Though we anticipated no expenses, the committee started with a suggested budget of $200.00. As of early May 2017, no funds have been expended.

Action(s) Required by Board

Filling the soon to be vacant Vice Chair/Chair Elect position.

Recommendations to Board

The committee would like to recommend that the Board reduce the frequency of reporting. It is our understanding that previous practice required only
annual and midyear reports, and we think that returning to the practice of making the two interim reports optional would be helpful to committees that have the occasional quiet period.

Shannon Regan, member (New York Public Library), 15/17

**Completed Activities**

Todd Enoch, Vice-Chair of SOC created a template for welcoming new Ambassadors to provide a more consistent message. This includes a schedule of times when ambassadors should be in touch with their assigned library schools.

SOC members and ambassadors reached out to various library and information schools. Just a few examples include:

- Sarah Sutton, Ambassador for Emporia State University, talking about NASIG in her classes and encouraging students to join for free. In her E-

resources management class her students’ final product is a conference proposal for NASIG.

- Steve Oberg, Ambassador for Dominican University and University of Illinois, talking about NASIG in the classes that he teaches.

- Carol Green, Ambassador for University of southern Mississippi, posting announcements about NASIG grants & scholarships on the school's listservs.

- Lori Duggan & Laura Summers, Ambassadors for Indiana University, posting announcements about free student membership, the Student Mentoring Program, & conference volunteer opportunities on the university’s listservs and blog.

**Continuing Activities**

The SOC members and ambassadors will continue to reach out to various library and information schools on an ongoing basis to make sure they know about the NASIG conference and scholarship opportunities. SOC continues to recruit new ambassadors which will make connections with individual library schools. In addition, the following initiatives are in progress:

**Formal Mentoring Program**

Calls for mentors/mentees went out the beginning of March and were originally opened until April 1st. By April 1st there were 15 mentee applications and 14 mentor applications. The call was extended to April 16th. The extended call only resulted in one additional mentee application leaving the total at 16 mentee applications and 14 mentor applications. The Student Mentoring Subcommittee is working on matching mentees/mentors and will announce matches the beginning of May.

Celia Gavett joined the Student Outreach Committee and Mentoring Subcommittee to provide a current student perspective. She is a LIS student at University of Buffalo and also a 2017 Fritz Schwartz Serials Education Scholarship Winner.

In-person orientation for the mentoring program will take place at the NASIG Conference on Thursday June
8th at 3pm. A virtual orientation option is being provided for those not able to attend in-person.

Student Snapshot Sessions
The Awards and Recognition Committee, Program Planning Committee & SOC are collaborating on Student Spotlight Sessions during the 2017 Conference. Shannon Regan from SOC is leading this project for SOC. Current library school students & recent graduates were invited to submit a spotlight session proposal, for a ten-minute presentation at the NASIG conference. Student award winners were offered the chance to present first. The call went out and 8 applications were received and accepted.

Kimberly DeRosa of SOC has started investigating the idea of creating student groups like ones within ALA & SLA to further engage student members.

Future Activities
SOC has some concerns about Ambassadors being able to push out publicity to their schools in all relevant fora (e.g. including Facebook pages, etc.). There also seems to be the need for more in-person events at library schools. In the 2017-18 year, SOC will investigate how to better coordinate these activities with the SOC Ambassadors.

Budget
The budget for SOC is $100 covering the printing of SOC ambassador handouts for recruitment or for mentoring orientation documents.

This includes collecting links to groups doing similar work with whom we may be able to partner and links to articles of interest. Ted has shared [Library of Congress information](http://libraryofcongress.gov), but the information may not be useful for the small publishers we envision NASIG members working with.
