Bylaws Committee
Submitted by Kate Seago

Members

Kate Seago, chair (University of Kentucky)
Derrik Hiatt, vice-chair (Texas A&M University at Corpus Christi)
Continuing Activities

Revising the Bylaws. If the Board agrees with the draft, then the draft must be distributed to the membership and a vote held after 30 days.

Completed Activities

The Board asked the Bylaws Committee to consider four questions and respond back to the Board. In the opinion of the Bylaws Committee, the response would require the Bylaws to be amended and we have drafted a revised set of Bylaws as a result.

Budget

None requested

Action(s) Required by Board

- Bylaws will check to see if rebranding the Publicist to the Marketing & Social Media Coordinator will need to go before the membership for a vote to update the Bylaws. The Marketing & Social Media Coordinator will serve as ex-officio on the NASIG Board, and will serve a two-year term with the option to renew for an additional two-year term.

RESPONSE: Changing the name of the Publicist does not require a vote to update the Bylaws since the Publicist is not mentioned.

- In the NASIG Bylaws under Article VI. Committees, Bylaws needs to clarify the final sentence of the second paragraph under the Terms of Office section to see if it is applicable to all committees or just to the Nominations & Elections Committee. The Board would like to have an exception for Vice-Chair or Chair of Nominations & Elections at the discretion of the appointing Vice President.

RESPONSE: The Bylaws committee has redrafted the section 3 under Article VI and has submitted these changes for Board review.

Bylaws needs to look at the information in the Bylaws about task forces and special committees for potential clean-up. Also, the entire Article VI. Committees section should be reviewed for clean-up.

In Article VI. Committees, Bylaws needs to look at changing Nominating Committee to Nominations & Elections Committee.

- Bylaws needs to look at Article VI. Committees, Section 3 Terms of Office, to see what restrictions are available for terms beyond a second term for other committees.

RESPONSE: There is no cleanup needed in Section 4. Special Committees since the language in the Bylaws follows Robert’s Rules of Order on special committees (i.e. taskforces, work groups, etc.)

- Bylaws will look into whether or not a new organizational membership category needs to be created.

RESPONSE: In the Bylaws Committee view, the new organizational membership category falls to the Membership Committee. We are recommending a minor revision to Article III. Section 1 to make it clear that both types of organizations receive the same number of memberships and rights. Again, see the attachment.

The Bylaws committee reviewed the changes to the Bylaws suggested by the Board. Bylaws has proposed language to the Board to review. Once the Board has reviewed the proposed language, the proposed

Laurie Kaplan, member (Proquest)
Tessa Minchew, member (North Carolina State University)
Sofia Slutskaya, member (Georgia Institute of Technology)
Maria Hatfield, board liaison (WT Cox Information Services)
language needs to go out to the NASIG membership for a vote.

Questions for Board

Typically, the vendor exposition and luncheon has been held the second full day of the conference, which for the 2018 conference would be Sunday. Preference for Saturday or Sunday vendor luncheon?

One of the suggestions from the 2016 conference evaluations noted that breakfast sandwiches and fruit is not a good breakfast. If the budget allows, should we go with full breakfast buffet both Saturday and Sunday? Do we really need a breakfast buffet on the same day as lunch buffet?

Recommendations to Board

CPC to develop and post on the conference bulletin board, sign-up sheets for local activities, similar to Dine Aroun.

CPC to identify and purchase a branded give-away to conference attendees such as a water bottle or coaster.

- Coordinated and hosted Counter Release 5 webinar
- Setup WebEx for NASIG Committee Chairs Orientation

Budget

No budget information to report at this time

Statistical Information

Counter Release 5 webinar: 136 attendees
NASIG Committee Chairs Orientation: 21 attendees

Questions for Board

NC Serials conference would like to provide a more meaningful experience for NASIG as a sponsor and one idea CEC has is to offer a prize drawing for something like a free year membership or coupon for a free webinar. Since this involves monetary funds would this require Board approval?

Besides webinars CEC is interested in exploring NASIG hosted Twitter chats. What other committees would we need to work with or policies would we need to consider to pursue this?

Reminders to NASIG members were sent out to encourage participation. As an incentive to participate, a $50 Amazon gift card was awarded by random drawing. The gift card recipient was Stacie Parillo from US Naval War College.

The Committee received 15 requests for individual conference evaluation results, all of which were sent by August 2017.

In August, a final report of the conference evaluation results was provided for the NASIG Newsletter. A separate confidential report with a confidential link to the raw survey data was sent to the Executive Board, as well as the chairs of the Conference Planning Committee, Continuing Education Committee, and Program Planning Committee.

Joe Badics, member (Eastern Michigan University)

Completed Activities

- Confirmed committee discussion list is updated for the current year
• Identified a committee vice-chair for the 2017/18 year
• Made minor revisions and updates to the N&E committee manual
• Drafted a timetable for the 2017/18 nomination cycle

Upcoming Activities

• Hold Fall planning conference call with full N&E Committee
• Review complete timetable for 2017/18 nomination cycle, seeking NASIG Board approval, and posting timetable to the NASIG website
• Update the Nomination form for the 2017/18 cycle
• Send out Call for Nominations to the NASIG membership
• Accepting nominations for NASIG office, likely through November

Questions for the Board

The committee needs confirmation on the offices for which we need to see nominations before we can distribute the Call for Nominations. Our records show that the 2018 election needs to include:
• Vice President/President-Elect
• Secretary
• 3 Member At Large positions

All of the outgoing Board officers currently work in academic libraries, so the Board does not lose particular representation diversity from other membership populations (e.g. publishers, vendors) with this round. As always though, we appreciate any thoughts or advice the Board can offer on how we might increase nominations outreach generally and from those specific populations that allow NASIG to represent the full membership in its Board.

Vision Speakers
The Program Planning Committee has been working hard to line up three vision speakers and we are happy to report that the vision speakers we have for NASIG 2018 Conference include: they include Sören Auer, Lisa Macklin, and Lauren Smith.

Dr. Sören Auer was just recently appointed as professor for Data Science and Digital Libraries at Leibniz University of Hannover and director of TIB German National Library of Science and Technology. Sören is co-founder of high-impact research and community projects such as the Wikipedia semantification project DBpedia, the OpenCourseWare authoring platform SlideWiki.org or the spatial data integration platform LinkedGeoData. He serves as an expert for industry, the European Commission, the W3C and board member of the Open Knowledge Foundation.
Lisa Macklin, JD, MLS is the Director of Scholarly Communications Office, Library and Information Technology Services at Emory University. Lisa collaborated with the Library Policy Committee and the Center for Faculty Development and Excellence in Open Access Conversations at Emory. In March 2011, the Faculty Council endorsed an Open Access Policy that led to the creation of OpenEmory, a repository of Emory faculty-authored articles. In addition, an Open Access Publishing Fund was launched with OpenEmory, and provides funds to make it easier for Emory authors to publish in eligible open-access (OA) journals and books when no alternative funding is available. Lisa will continue working with faculty advisors as the Libraries implement these and other OA initiatives.

Lauren Smith is a Research Associate at the University of Strathclyde in Glasgow. She co-founded Voices for the Library, a UK-wide public libraries advocacy organization, and she is involved in the Radical Librarians Collective. Her research focuses on: political information behavior, political participation and citizenship; information/news/media/digital literacy; critical approaches to education and librarianship; social justice, access, equity and inclusion in education and information.

Call for Proposals
The PPC prepared the call for proposal and is planning to open the call on September 18, 2017 and have it open until middle of November. Link to the CFP: https://proposalspace.com/calls/d/800

Continuing Activities

MOUs
MOUs for vision speakers need to be prepared and sent to the vision speakers.

Pre-Conferences
The PPC discussed the five possible pre-conferences that will cover the topics of Linked Data, MarcEdit, Agile approach to technical services, EZproxy, and Serials cataloging. MarcEdit and Linked Data pre-conferences presenters have already accepted our invitations for full day events. We are waiting to hear back from the possible presenters for the other three pre-conferences.

Questions for the Board

• Is there any specific language you want us to include in the MOUs for vision speakers and for session speakers?
• Should we plan for the Vendor Lightning Talks and with whom should we coordinate?
• Should we plan for Student Snapshot Sessions and with whom should we coordinate?
• Do you perceive the schedule to look similar to last year schedule considering the move by one day? Does that affect the Vendor Lightning Talks and their schedule? Please advise.
• Please advise regarding the budget for PPC - Treasurer has made payment to ProposalSpace for activating the CFP.
• We have two international speakers that will need reimbursement and hotel arrangement made directly by NASIG - who will do that? One of the vision speakers - Lisa Macklin is local and she won’t need any reimbursement.

Deberah England, member (Wright State University)

Continuing Activities

The Standards Committee continues to cast the official NASIG vote on the monthly NISO ballots we receive as a benefit of our membership in NISO (http://www.niso.org/standards/ballots).

NASIG is currently a member of the following NISO voting pools.
- ANSI/NISO Z39.78 (Library Binding)
- ANSI/NISO Z39.88 (OpenURL Framework)
- ANSI/NISO Z39.43 (Standard Address Number (SAN) for the Publishing Industry)
- ANSI/NISO Z39.84 (Syntax for the Digital Object Identifier)

The NISO voting workflow is now being managed by Christina Geuther, with Emily Ray as the back-up. There are no ballots on the agenda for September, but Christina will update our NISO Master Spreadsheet with upcoming ballots in the next few weeks.

The committee will continue to submit “pop-up” columns to NASIG Newsletter on an irregular basis, as a way of updating the membership about noteworthy happenings and issues in the greater standards community.

The committee remains on the lookout for other areas in which NASIG can become more active in standards work, and for other avenues in which the committee can communicate with and encourage participation from the NASIG membership. Questions and comments are always welcome and can be directed to the committee at standards@nasig.org.

Completed Activities

The committee surveyed the NASIG membership for volunteers who could offer expert advice on some of the more complex ballots that arise. One member has offered to review and comment to us on standards in their area of expertise. The committee will consider including another open invitation to volunteer expertise in a future pop-up Newsletter column.

In August the committee cast ballots to re-confirm Systematic Review of ISO 13008, Digital records conversion and migration process; TC 46/SC 9 Systematic Review of ISO 27730, International standard collection identifier; TC 46/SC 9 Systematic Review of ISO 26324, DOI.

New members (Pat Kenney and Fiona McNabb) have been welcomed and the monthly meeting date (third Monday of the month) set for this year.

Budget

No money was spent in this quarter.

Statistical Information

Our first pop-up column, “Standards Corner: COUNTER Release 5 Coming Soon,” has had 54 downloads since its May publication.

Questions for Board

The committee would like to have a member attend an upcoming two part NISO webinar. The cost for both parts combined is $150. $100 for one part. We would like to ask a member to attend and write a brief summary of the webinar to share in the December newsletter, however, the committee volunteer has no funding from campus. Could we use the committee budget to pay this webinar fee?

Continuing Activities

The SOC members and ambassadors will continue to reach out to various library and information schools on an ongoing basis to make sure they know about the NASIG conference and scholarship opportunities. SOC continues to recruit new ambassadors which will make connections with individual library schools.

The SOC will work with the Mentoring Group to perform a mid-year program assessment of the NASIG Student Mentoring Pilot Program and will provide their recommendations to the board about whether to continue the program or not.

Completed Activities

The SOC verified the status of continuing Ambassadors. Each member of the SOC has selected 2 to 3 schools currently without an Ambassador to serve as an interim Ambassador until a full Ambassador may be found. The SOC members and ambassadors reached out to various library and information schools in September 2017 about student membership opportunities in NASIG.

Budget

The budget for the SOC is $50 covering the printing of the SOC handout. The SOC handout is used at the NASIG annual meeting and other events to recruit ambassadors.

Continuing Activities

The Digital Preservation Task Force re-grouped with a conference call on September 12. The group decided upon next steps, including the development of reference guides for librarians, publishers, NASIG members, and the information community.

In addition, the task force is considering developing a survey to identify ways in which NASIG may serve its membership and the information community at large in better understanding and promoting digital preservation initiatives.

Completed Activities

A google account has been created for the group. This will serve as a shared account for documents etc.

Action(s) Required by Board

Advice on our course of action:

Some of the biggest challenges facing digital preservation advocates is understanding and interpreting new advancements and technological developments in the field. With frequent updates to the
standards and expectations regarding digital preservation, the learning curve for librarians, publishers, and professionals is very steep. NASIG is in a prime position to serve as a steward to these changes and provide meaningful interpretation of new developments with regard to digital preservation. As part of the Digital Preservation Task Force’s charge, I propose we develop a method for NASIG to fill this role in an ongoing basis. The idea being that NASIG would monitor developments with digital preservation, and interpret and disseminate details to the NASIG membership and the information community. Suggestions for the mechanics of the process would be put forth in recommendations to the Board from the Digital Preservation Task Force.

Questions for Board

I believe the task force would greatly benefit from having a publisher represented. Can we work with Membership to identify potential NASIG members for participation on the task force?
