Committee Annual Reports and Updates

**Awards and Recognition Committee**
Submitted by: Jennifer Leffler

**Members**

Jennifer Leffler, chair (University of Northern Colorado)
Jamie Carlstone, vice-chair (University of Illinois at Urbana-Champaign)
Lea Currie (University of Kansas)
Susan Elkins (Sam Houston State University)
Rachel Erb (Florida Academic Library Services Cooperative)
Moon Kim (California State University, Fullerton)
Vanessa Mitchell (Library of Congress)
Trina Nolen (Lamar University)
Barbara Ballew (Texas Tech University Health Sciences Center Libraries)
Tessa Minchew (North Carolina State University)
Dejah Rubel (Ferris State University)
Joe Hinger, ex officio (St. John’s University)
Tom Osina, ex officio (NonProfit Help)
Ted Westervelt, board liaison (Library of Congress)

**Continuing Activities**

Ordering awards for recipients and committee chairs

**Completed Activities**

- Selected 16 award winners from over 40 applications
- Updated the past award winners section of website

**Recommendations to Board**

Work with Awards & Recognition Committee to update language for award winners to the 2020 annual conference to a specific dollar amount. Currently the language speaks to flights, hotels and meals, which is difficult to manage financially. This update would allow for more transparency for the awardees. The change would also allow for the committee and board to be more upfront about the total number of awards available for 2020.

**Completed Activities**

Submitted updates for the document “Recent NASIG Bylaws Changes (2003 to Present),” linked from the
Bylaws Committee website
(http://www.nasig.org/site_page.cfm?pk_association_webpage_menu=1346&pk_association_webpage=3877)

Action(s) Required by Board

The Executive Board asked the Bylaws Committee to review a list of proposed initiatives to determine whether/what bylaws changes would be needed for the proposals to move forward. The Bylaws Committee reviewed the proposals and agreed that none of them would be prohibited by nor require changes to the bylaws.

Continuing Education Committee
Submitted by: Lori Terrill and Julia Proctor

Members

Lori Terrill, Co-Chair, Committee Coordinator (Black Hills State University)
Julia Proctor, Co-Chair, Webinar Coordinator (Pennsylvania State University)
Stephanie Bandel-Koroll (MTSU Center for Popular Music)
Rachel Becker (Madison College)
Melanie Church (Rockhurst University)
Adele Fitzgerald (St. Joseph’s College New York)
Julia Hess (Ball State University)
Jennifer L. Pate (University of North Alabama)
Xiaoyan Song (North Carolina State University)
Shoko Tokoro (University of North Carolina at Charlotte)
Lisa Martincik, board liaison (University of Iowa)

Continuing Activities

- CEC recommended and the Board approved an outsourcing project to correct the closed captioning on webinar recordings posted to YouTube. A company to do the outsourcing has been recommended to the Board.
- A lapse in the WebEx subscription resulted in the loss of two webinar recordings: “CORAL: One System, Three Perspectives” with Carla Clark, Xiaoyan Song, and Heather Wilson and “Making Complicated Processes Simple: A Look at How MarcEdit 7 is Expanding the User Tool Kit” with Terry Reese. The CORAL webinar will be re-recorded in June and will be posted to YouTube as soon as each is complete. The MarcEdit 7 webinar already has out of date information, so CEC will look into a new webinar on the topic in the fall.
- Reviewing Wikipedia article on NASIG is in progress and we anticipate finishing in May. Updates are needed related to the various core competencies documents.

Completed Activities

- Reviewed and updated Core Competencies for E-Resources Librarians. The new version has been posted to the website.
- Reviewed and determined no updates were needed for Core Competencies for Print Serials Management.
- NASIG Webinar: “Bringing Social Justice Behind the Scenes: Transforming the Work of Technical Services” was held on April 18, 2019 (rescheduled from March).

Continuing Activities

- Respond to member login problems and renewal and invoicing questions. Update member organizational affiliations when requested.
- Run new member, non-renewing, and deactivate reports monthly.
- Send new member reports monthly to Communications Committee and Newsletter. Send edited reports (names and emails only) of new members to NISO contacts.
- Send welcome letters to all new members.
- Send non-renewing members a reminder to renew their membership.
- Deactivate members who have not renewed two months past last expiration, and send those reports to Communications for removal from NASIG-L and to the NISO rep.
- Update lapsed member records to ensure they no longer receive broadcast messages.
- Work closely with the treasurer to ensure proper set up of organizational memberships.
- Revise the MSC Manual as needed.

Completed Activities

Updated lapsed member records to ensure they no longer receive broadcast messages. (The new automated process that unticks the login enabled box to deactivate a member who doesn’t renew, does NOT untick the broadcast email box. That part of the process still must be done manually every month.)

Nominations & Elections Committee
Submitted by: Stephanie Adams

Members

Stephanie Adams, chair (Tennessee Tech University)
Madeline Kelly, vice-chair (Western Washington University)
Bethany Greene Blankemeyer (University of North Carolina at Charlotte)
Rowena Griem (Yale University)
Smita Joshipura (Arizona State University)
Virginia Martin (Duke University)
Sue Wiegand (Saint Mary’s College)
Steve Shadle, board liaison (University of Washington)

Continuing Activities

• Committee will review any challenges to the election. Challenges may be filed up to May 2, 2019.
• Committee will begin reviewing and revising the Elections Process Overview document, specifically any references to two years of committee experience being a requirement for slating will be changed to a recommendation.
• Committee will add information regarding social media for the call for nominations, call for petition candidates, and opening the electronic ballot to the Nominations & Elections Committee Manual.

• Committee will begin revising the reference requirements listed in the nominee profile form for future election cycles while adhering to Board responses to the January 2019 Committee Report. The 2019/2020 will submit language for Board approval.

• The 2019/2020 committee will address the 2018/2019 committee’s suggestion to develop an inclusion statement for email blasts for future calls for nominations. The Diversity Committee will be consulted for language suggestions.

Completed Activities

• Committee members contacted all Vice President/President-Elect nominees (from the reopened call) to determine if they were willing to be screened.

• Received profiles from nominees for Vice President/President-Elect via new Google Form.

• The committee chair created an online form (based on the form developed by the 2018/19 chair) using the NASIG Survey Monkey account for all committee members to submit their evaluations of the candidates being screened for NASIG offices.

• Committee members reviewed candidate materials and submitted their evaluations.

• In a February 13th conference call, the committee reviewed their assessments of candidates and determined which candidates to screen for which offices. They also determined for which candidates they would contact references.

• The committee chair created an online form (based on the form developed by the 2018/19 chair) using the NASIG Survey Monkey account through which references could be submitted.

• Three committee members contacted the candidates’ references requesting that they use the online form to submit a reference.

• The committee chair shared the responses to the reference survey with all committee members via Google Drive.

• In a February 25 conference call, the committee discussed the responses to the reference survey and determined the final slate.

• Two committee members contacted each of the final candidates to confirm their willingness to appear on the ballot.

• Revised and updated the Petition Candidate Profile Form and conducted the call for petition candidates.

• The 2019 election was conducted according to the revised timetable approved by the Board. Election results were announced to the NASIG membership on April 22, 2019.

Elections Overview

The Call for Nominations was announced to membership on October 15, 2018 with a November 5, 2018 deadline. That call produced the following nominations:

• 6 for Vice President/President-Elect
• 5 for Treasurer
• 16 for three Member-At-Large positions

The reopened Call for Nominations for Vice President/President-Elect was announced to membership on January 8, 2019 with a January 16, 2019 deadline. That Call produced 12 nominations.

Call for petition candidates was announced to membership on March 12, 2019. No petition candidates were submitted by the March 27, 2019 deadline.

The final slate consisted of the following number of candidates:

• 4 for Vice President/President-Elect
• 2 for Treasurer
• 7 for three Member-At-Large positions
Questions for Board

In response to questions in the Committee’s January 2019 Report about revising the reference requirements for nominees to Board positions, the Board indicated that nominees for Executive Offices (VP/PE, Secretary, and Treasurer) should continue to have two NASIG-related references and MLA nominees should have one. However, must the relationship of the NASIG-related references be so specific (e.g., If you are a current or past NASIG Committee Chair/Co-Chair, two of the references you provide should be the President(s) who appointed you as Chair/Co-Chair and/or the Board Liaison(s) to the specific committee(s).)? The Committee would be happy to propose revised language for Board approval.

Standards Committee
Submitted by: Jennifer Combs

Members

Jennifer Combs, chair (Kansas City Public Library)
Fiona McNabb, vice-chair (Computercraft)
Beverly Geckle (Middle Tennessee State University)
Christina Geuther (Kansas State University)
Emily Ray, NISO representative (University of North Florida)
Mark Hemhauser, (University of California, Berkeley)
Matthew Ragucci, (Wiley)
Melissa Belvadi, COUNTER liaison (University of Prince Edward Island)
Pat Kenney, (Wheaton College)
Peter McCracken, NISO representative 2 (Cornell University)
Tessa Minchew, (North Carolina State University)
Maria Hatfield, board liaison (WT Cox Information Services)

Continuing Activities

The Standards Committee continues to cast the official NASIG vote on the monthly NISO ballots we receive as a benefit of our membership in NISO (http://www.niso.org/standards/ballots). NASIG is currently a member of the following NISO voting pools.

- ANSI/NISO Z39.78 (Library Binding)
- ANSI/NISO Z39.88 (OpenURL Framework)
- ANSI/NISO Z39.43 (Standard Address Number (SAN) for the Publishing Industry)
- ANSI/NISO Z39.84 (Syntax for the Digital Object Identifier)

The NISO voting workflow during 2018-2019 was managed by Emily Ray, with Peter McCracken as the back-up. During this term the committee agreed on and maintained a new workflow which significantly eased the workload need by the Reps for each ballot. As draft documents or other ballot-relevant information become available, they are posted to a shared Google folder organized by the month the ballot vote is due. NISO liaisons request information or expertise from the rest of the committee as needed, and then may also post items of interest or calls for expertise to the NASIG listserv.

As noted in the previous term, the committee continues to be challenged at times by tight turnaround schedules, ballots involving standards outside the committee’s general area of expertise, or lack of knowledge of the proposing committee’s work on a draft or ballot. However, as stewards of the NASIG membership role in NISO, we maintain an informal “policy” of casting a yes or no vote rather than an abstain vote as much as possible.

This committee’s work contributes to the NASIG mission to “[promote] the development and implementation of best practices and standards for the distribution, acquisition and long-term accessibility of information resources in all formats and business models throughout their lifecycle.”
Completed Activities

From January to May, NISO Reps placed 26 Yes/No/Approve votes, marked Abstain on 11 others, and missed 1 vote. The totals for 2018-2019 term are 62 Votes of Yes/No/Approve, 18 Abstain, meaning the Standards Committee has participated in 90 NISO Voting opportunities. Some additional ballots will expire in June, after the writing of this report.

Early in the term, Committee members edited the Committee Charge document, and discussed, approved, and submitted to the Board. Members also accepted additions to the Project COUNTER portion of the Committee Manual. Additionally, the Committee Chair submitted a listing of short term and long-term goals as requested by the NASIG Board.

As COUNTER liaison, committee member Melissa Belvadi attended the COUNTER’s Annual Meeting in April 2019 and submitted a column “Standards Corner: COUNTER 5 Update” for the September 2018 Newsletter. Melissa has also been an active and enthusiastic voice for COUNTER 5, including sharing her vendor her list of vendors’ current COUNTER 5 /SUSHI statuses with the committee and on the NASIG listserv. Committee Chair also submitted brief COUNTER “reminder” columns “Standards Corner: Are You Ready for COUNTER 5?” and “Standards Corner: COUNTER R5 is Here, and NISO News” in the March and May NASIG Newsletters.

Budget

No money was spent from our $200.00 budget.

Action(s) Required by Board

Late in the term the committee verified that for the 2019-2020 term, Fiona McNabb will move into the role of Chair, and we accepted the nomination of member Matthew Ragucci to fill the Vice Chair/Chair Elect position.

Questions for Board

No updates have been passed down this term about a potential relationship with UKSG. If there is more we should be doing in future terms, please let us know.

Recommendations to the Board

None.

Digital Preservation Task Force
Submitted by: Shannon Keller

Members

Shannon Keller, chair (New York Public Library)
James Phillpotts, (Oxford University Press)
Wendy Robertson, (University of Iowa)
Heather Staines, (hypothes.is)
Ted Westervelt, board liaison (Library of Congress)

Continuing Activities

Shannon Keller will present “Demystifying Digital Preservation: Recommendations for Organizations, Libraries, and Information Professionals,” at the 34th Annual NASIG Conference on Thursday, June 6 at 10:45am.

Completed Activities

The survey was open from September 24 through October 26 and received 244 responses. The survey findings were integral to informing the task force’s final recommendations to the board.

the publisher perspective. The presentation included plenty of time for discussion and some of the themes discussed were outreach, security, and evolving standards.

The committee developed three guides:
- Digital Preservation 101
- Guide to the Keeper’s Registry
- Questions to ask Publishers about Digital Preservation

The guides are available on the NASIG website under the “Publications” tab and the “NASIGuides” page and are also posted to the Digital Preservation Task Force page on the website.

Recommendations to Board

On Wednesday, April 3, 2019 Shannon Keller recommended to the NASIG Executive Board that the digital preservation task force transition into a standing committee.

Unexpectedly, on April 24, 2019 EDINA announced that Jisc would cease funding and operating the Keepers Registry, and that it would go out of service on July 31, 2019. The task force feels strongly that the Keepers Registry is a valuable service and tool. Specifically, a commitment to promoting and supporting the Keepers Registry is one of the task force’s recommendations. Most pressing for the committee may be work to explore the facilitation of transfer of the service to another organization.

The task force recommends that the standing committee focus its efforts in these areas:

1. Education and Outreach

There are great existing tools that information professionals may take advantage of to better understand the current landscape of digital preservation, preservation coverage of scholarly content, and new initiatives in the field.

The three guides, Digital Preservation 101, Guide to the Keepers Registry, and Questions to ask Publishers about Digital Preservation, will require ongoing development and updates as there are developments in the field.

High costs and institutional priorities were listed as the highest barriers to digital preservation via the survey. In many organizations budgets and priorities are determined through administrators and their evaluation of needs. NASIG should targeting education and outreach efforts to build understanding and influence around the importance of these efforts.

2. Develop a Template or Model Preservation Policy

By creating a preservation policy template, the burden of developing a policy would be lifted off of members and their institutions, and provide individuals with a tool in educating administrators about the importance of digital preservation.

3. Collaborate with existing preservation agencies and other professional organization more closely on these issues

Explore cross-organizational collaboration with Association of University Presses, IFLA, Library Publishing Coalition, UKSG, and others for efforts to
raise awareness of and develop tools for reducing the risk of losing vulnerable digital scholarly content.

Collaborate with preservation agencies such as CLOCKSS or Portico to develop workshops, webinars and tools for educating information professionals about digital preservation.
