GOVERNOR THURMOND MADE THE FOLLOWING STATEMENT WHEN ANNOUNCING THESE APPOINTMENTS:

I regret exceedingly that Mrs. Hudgens is not eligible for reappointment. She has been an outstanding member of this board and through her conscientious and capable service she has made a valuable contribution to educational progress in South Carolina.

the State Board of Education

Mr. Perrin Anderson whom I have appointed to succeed Mrs. Hudgens is an attorney and businessman of Greenwood. He represented that County, for a number of years, in the House of Representatives where he was a member of the Educational Committee. I feel fortunate in securing the services of such a well qualified person to succeed Mrs. Hudgens.
