Excerpts from Edgar Brown to Mr. J. O. Outts, Johnston
September 17, 1952

"There is no relationship between the States Rights movement of four years ago which pretty well all of us supported and the now drift to the Republican Party. We started off this year to tie the Southern states together in a block to do what the States Rights group tried to do four years ago, but our candidate, Senator Russell didn't go through with us."
