STATEMENT BY SEN. STROM THURMOND (D-SC) ON SAFE-DRIVING DAY
IN SPARTANBURG COUNTY, November 15, 1985.

December 1st will be S-D (safe-driving) Day in Spartanburg County. On that special day, I urge everyone to focus attention on the safe-driving habits that will be publicized throughout the county for the purpose of promoting safety and reducing traffic accident and fatality rates to a new low.

By joining in the spirit of this occasion and giving careful attention to these safety tips, you, as an individual, can make a valuable contribution toward insuring highway safety for yourself, your family, and your fellow-residents of Spartanburg County.

I commend everyone who is taking part in sponsoring this important day, and I wish you every success in this worthy endeavor.
