Senator and Mrs. Strom Thurmond left Washington for South Carolina yesterday afternoon. Senator Thurmond said that he was taking Mrs. Thurmond to the Crouch home at Elko, South Carolina to see her parents and after several days would then take her off to some place to rest for about a week. Then she will come back to Elko and remain with her parents while Senator Thurmond goes on active duty to take a special course in missiles at Command General Staff College, Fort Leavenworth, Kansas.

Senator Thurmond said that Mrs. Thurmond will return to Washington in about three weeks for a check-up and examination. He stated that while she is in South Carolina, the doctors have advised that during this period she have no visitors except the family in order that she may get as much rest as possible.
